Preface

This Supplement to Replacement Volume 3D contains the general laws of a permanent nature enacted at the 1977 Session of the General Assembly which are within the scope of such volume, and brings to date the annotations included therein.

Amendments of former laws are inserted under the same section numbers appearing in the General Statutues, and new laws appear under the proper chapter headings. Editors' notes point out many of the chapters effected by the amendatory acts.

Chapter analyses show all sections except catchlines carried for the purpose of notes only. An index to all statutes codified herein appears in Replacement Volumes 4B, 4C and 4D.

A majority of the Session Laws are made effective upon ratification but a few provide for stated effective dates. If the Session Law makes no provision for an effective date, the law becomes effective under G.S. 120-20 "from and after thirty days after the adjournment of the session" in which passed. All legislation appearing herein became effective upon ratification, unless noted to the contrary in an editor's note or an effective date note.

Beginning with the opinions issued by the North Carolina Attorney General on July 1, 1969, any opinion which construes a specific statute will be cited as an annotation to that statute. For a copy of an opinion or of its headnotes write the Attorney General, P.O. Box 629, Raleigh, N.C. 27602.

The members of the North Carolina Bar are requested to communicate any defects they may find in the General Statutes or in this Supplement and any suggestions they may have for improving the General Statutes, to the Department of Justice of the State of North Carolina, or to The Michie Company, Law Publishers, Charlottesville, Virginia.

An authority may exercise any or all of the powers herein conferred upon it, either generally or with respect to any specific housing project or projects, through or by an agent or agents which it may designate, including any corporation or corporations which are or shall be formed under the laws of this State, and for such purposes an authority may cause one or more corporations to be formed under the laws of this State or may acquire the capital stock of any corporation or corporations. Any corporate agent, (i) all of the stock of which shall be owned by the authority or its nominee or nominees or (ii) the board of directors of which shall be elected or appointed by the authority or is composed of the commissioners of the authority or (iii) which is otherwise subject to the control of the authority or the governmental entity which created the authority, may to the extent permitted by law exercise any of the powers conferred upon the authority herein. In addition to all of the other powers herein conferred upon it, an authority may do all things necessary and convenient to carry out the powers expressly given in this Article. No provisions with respect to the acquisition, operation or disposition of property by other public bodies shall be applicable to an authority unless the legislature shall specifically so state.

Notwithstanding anything to the contrary contained in this Article or in any other provision of law an authority may include in any contract let in connection with a project, stipulations requiring that the contractor and any subcontractors comply with requirements as to minimum wages and maximum hours of labor, and comply with any conditions which the federal government may have attached to its financial aid of the project. (1935, c. 456, s. 9; 1939, c. 150; 1977, c. 784, s. 1.)

Editor's Note. — The 1977 amendment, in the fifth sentence of the second paragraph, added the clause (i) designation and inserted the language beginning "or (ii) the board of directors" and ending "governmental entity which created the authority."

§ 157-14. Types of bonds authority may issue.

Editor's Note. — For a symposium on municipal finance, see 1976 Duke L.J. 1051 (1976).

§ 157-15. Form and sale of bonds. — The bonds of the authority shall be authorized by its resolution and shall be issued in one or more series and shall bear such date or dates, mature at such time or times, not exceeding 60 years from their respective dates, bear interest at such rate or rates, be in such denominations (which may be made interchangeable), be in such form, either coupon or registered, carry such registration privileges, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption (with or without premium) as such resolution or its trust indenture or mortgage may provide.

The bonds may be sold at public or private sale; provided, however, that no public sale shall be held unless notice thereof is published once at least 10 days prior to such sale in a newspaper having a general circulation in the city in which the authority is located and in a financial newspaper published in the City of New York, New York, or in the City of Chicago, Illinois. The bonds may be sold at such price or prices as the authority shall determine.

Pending the authorization, preparation, execution or delivery of definitive bonds, the authority may issue interim certificates, or other temporary obligations, to the purchaser of such bonds. Such interim certificates, or other temporary obligations, shall be in such form, contain such terms, conditions and provisions, bear such date or dates, and evidence such agreements relating to their discharge or payment or the delivery of definitive bonds as the authority may by resolution, trust indenture or mortgage determine.

In case any of the officers whose signatures appear on any bonds or coupons shall cease to be such officers before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if they had remained in office until such delivery.

The authority shall have power out of any funds available therefor to purchase any bonds issued by it at a price not more than the principal amount thereof and the accrued interest; provided, however, that bonds payable exclusively from the revenues of a designated project or projects shall be purchased out of any such revenues available therefor. All funds so purchased shall be cancelled. This paragraph shall not apply to the redemption of bonds.

Any provision of any law to the contrary notwithstanding, any bonds, interim certificates, or other obligations issued pursuant to this Article shall be fully negotiable. (1935, c. 456, s. 15; 1971, c. 87, s. 1; 1977, c. 784, s. 2.)

Editor's Note. — The 1977 amendment, in the first sentence of the second paragraph, substituted "public or private sale; provided, however, that no public sale shall be held unless notice thereof is published" for "public sale held after notice published," inserted "in which the authority is located," and deleted "provided, however, that such bonds may be sold to the federal government at private sale without any public advertisement" from the end.

§ 157-17. Power to mortgage when project financed with governmental aid. — In connection with the interim or permanent financing of any project to be permanently financed in whole or in part by a government, or the permanent financing of which is to be secured by a pledge of a government commitment for

rental assistance payments, the authority shall also have the power, subject to the consent or approval of any government providing such financing or making such commitment for rental assistance payments, to mortgage all or any part of its property, real or personal, then owned or thereafter acquired, and thereby:

(2) To vest in a trustee or trustees the right, upon the happening of an event of default (as defined in such mortgage), to foreclose such mortgage through judicial proceedings or through the exercise of a power of sale without judicial proceedings.

(3) To vest in other obligees the right to foreclose such mortgage by judicial proceedings.

(1977, c. 784, s. 3.)

Editor's Note. — The 1977 amendment inserted "the interim or permanent financing of," "to be permanently," "or the permanent financing of which is to be secured by a pledge of a government commitment for rental assistance payments," "the" preceding "power," and "subject to the consent or approval of any government providing such financing or making such commitment for rental assistance payments" in the introductory paragraph, deleted "but only with the consent of the government which aided in financing the housing project involved" from the end of subdivision (2), and deleted "but only with the consent of the government which aided in financing the project involved" from the end of subdivision (3).

As subdivisions (1) and (4) were not changed by the amendment, they are not set out.

§ 157-25. Housing bonds, legal investments and security. — The State and all public officers, municipal corporations, political subdivisions, and public bodies, all banks, bankers, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking business, all insurance companies, insurance associations, and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds issued by a housing authority established (or hereafter established) pursuant to this Article or issued by any public housing authority or agency in the United States, when such bonds are secured by a pledge of annual contributions to be paid by the United States government or any agency thereof, or bonds which may be issued notwithstanding any other limitations of this Chapter, by a not-for-profit corporate agency of a housing authority secured by rentals payable pursuant to section 23 of the United States Housing Act of 1937, as amended, or by rental assistance payments under any other section of said act, as amended, and any such bonds shall be authorized security for all public deposits and shall be fully negotiable in this State; it being the purpose of this Article to authorize any persons, firms, corporations, associations, political subdivisions, bodies and officers, public or private, to use any funds owned or controlled by them, including (but not limited to) sinking, insurance, investment, retirement, compensation, pension and trust funds, and funds held on deposit, for the purchase of any such bonds and that any such bonds shall be authorized security for all public deposits and shall be fully negotiable in this State: Provided, however, that nothing contained in this Article shall be construed as relieving any person, firm or corporation from any duty of exercising reasonable care in selecting securities. (1935, c. 456, s. 25; 1941, c. 78, s. 3; 1971, c. 1161; 1977, c. 784, s. 4.)

Editor's Note. — The 1977 amendment inserted "or by rental assistance payments under any other section of said act, as amended" near the middle of the section.

§ 157-26. Tax exemptions. — The authority shall be exempt from the payment of any taxes or fees to the State or any subdivision thereof, or to any officer or employee of the State or any subdivision thereof. The property of an authority used for public purposes shall be exempt from all local and municipal taxes and for the purposes of such tax exemption, it is hereby declared as a matter of legislative determination that an authority is and shall be deemed to be a municipal corporation. Bonds, notes, debentures and other evidences of indebtedness of an authority (including any corporate agent thereof authorized by this Article to exercise the powers of the authority) heretofore or hereafter issued are declared to be issued for a public purpose and to be public instrumentalities and, together with the interest thereon, shall be exempt from taxes. (1935, c. 456, s. 26; 1953, c. 907; 1973, c. 695, s. 7; 1977, c. 784, s. 5.)

Editor's Note. —
The 1977 amendment inserted "(including any corporate agent thereof authorized by this Article to exercise the powers of the authority)" in the third sentence.

Funding bonds may be issued if the debt, judgment, or other obligation to be paid is payable at the time of the passage of the bond order or within one year thereafter. Refunding bonds may be issued at any time prior to the final maturity of the debt or obligation to be refunded. The proceeds from the sale of any refunding bonds shall be applied only as follows: either (i) to the immediate payment and retirement of the obligations being refunded or (ii) if not required for the immediate payment of the obligations being refunded such proceeds shall be deposited in trust to provide for the payment and retirement of the obligations being refunded, and to pay any expenses incurred in connection with such refunding, but provision may be made for the pledging and disposition of any amounts in excess of the amounts required for such purposes, including, without limitation, provision for the pledging of any such excess to the payment of the principal of and interest on any issue or series of refunding bonds issued pursuant to G.S. 159-78. Nothing herein shall be construed as a limitation on the duration of any deposit in trust for the retirement of obligations being refunded but which shall not have matured and which shall not be presently redeemable or, if presently redeemable, shall not have been called for redemption.

The principal amount of refunding bonds issued pursuant to this section, together with the principal amount of refunding bonds, if any, issued under G.S. 159-78 in conjunction with refunding bonds issued pursuant to this section, shall not exceed the amount set forth in G.S. 159-78.

The amendment also added the present second paragraph and, in the present third paragraph, deleted "shall be" following "refunding bonds" and inserted "the provisions of this Part shall be subject to."

§ 159-78. Special obligation refunding bonds. — In conjunction with the issuance of refunding bonds pursuant to G.S. 159-72 or G.S. 159-84 a unit of local government may issue a series of refunding bonds which shall be payable from the excess of the amount required by a trust fund established pursuant to G.S. 159-72 or G.S. 159-84 to provide for the payment and retirement of the obligations being retired and the amount required to pay any expenses incurred in connection with such refunding to the extent such expenses are payable from said trust fund.

Such refunding bonds shall be special obligations of the municipality issuing them. The principal of and interest on such refunding bonds shall not be payable from the general funds of the municipality, nor shall they constitute a legal or equitable pledge, charge, lien, or encumbrance upon any of its property or upon any of its income, receipts, or revenues, except the trust fund established pursuant to G.S. 159-72 or G.S. 159-84 from which such refunding bonds are payable. Neither the credit nor the taxing power of the municipality is pledged for the payment of the principal or interest of such refunding bonds, and no holder of such refunding bonds has the right to compel the exercise of the taxing power of the municipality or the forfeiture of any of its property in connection with any default thereon. Every such refunding bond shall recite in substance that the principal of and interest on the bond is payable solely from the trust fund established for its payment and that the municipality is not obligated to pay the principal or interest except from such trust fund.

Any refunding bonds issued under this section shall be issued in compliance with the procedure set forth in Article V of this Chapter.

The principal amount of any issue of refunding bonds issued pursuant to G.S. 159-72 or G.S. 159-84, together with the principal amount of refunding bonds, if any, issued pursuant to this section in conjunction with a series of bonds issued under G.S. 159-72 or G.S. 159-84, shall not exceed the sum of the following: (i) the principal amount of the obligations being refinanced, (ii) applicable redemption premiums thereon, (iii) unpaid interest on such obligations to the date of delivery or exchange of the refunding bonds, (iv) in the event the proceeds from the sale of the refunding bonds are to be deposited in trust as provided by G.S. 159-72 or G.S. 159-84, interest to accrue on such obligations being refinanced from the date of delivery of the refunding bonds to the first or any subsequent available redemption date or dates selected, in its discretion, by the governing body of the unit of local government, or to the date or dates of maturity, whichever shall be determined by the governing body of the unit of local government to be most advantageous or necessary and (v) expenses, including bond discount, deemed by the governing body to be necessary for the issuance of the refunding bonds. (1977, c. 201, s. 2.)

As the rest of the section was not changed by the amendment, only the introductory language and subdivision (1) are set out.

§ 159-84. Authorization of revenue bonds. — Each municipality is hereby authorized to issue its revenue bonds in such principal amount as may be necessary to provide sufficient moneys for the acquisition, construction, reconstruction, extension, betterment, improvement, or payment of the cost of one or more revenue bond projects, including engineering, inspection, legal, and financial fees and costs, working capital, interest on the bonds or notes issued in anticipation thereof during construction and, if deemed advisable by the municipality, for a period not exceeding two years after the estimated date of completion of construction, establishment of debt service reserves, and all other expenditures of the municipality incidental and necessary or convenient thereto.

Subject to agreements with the holders of its revenue bonds, each municipality may issue further revenue bonds and refund outstanding revenue bonds whether or not they have matured. Revenue bonds may be issued partly for the purpose of refunding outstanding revenue bonds and partly for any other purpose under this Article. Revenue bonds issued to refund outstanding revenue bonds shall be issued under this Article and not Article 4 of this Chapter.

Refunding bonds may be issued at any time prior to the final maturity of the debt or obligation to be refunded. The proceeds from the sale of any refunding bonds shall be applied only as follows: either, (i) to the immediate payment and retirement of the obligations being refunded or (ii) if not required for the immediate payment of the obligations being refunded such proceeds shall be deposited in trust to provide for the payment and retirement of the obligations being refunded, and to pay any expenses incurred in connection with such refunding, but provision may be made for the pledging and disposition of any amounts in excess of the amounts required for such purposes, including, without limitation, provision for the pledging of any such excess to the payment of the principal of and interest on any issue or series or [of] refunding bonds issued pursuant to G.S. 159-78. Money in any such trust fund may be invested in (i) direct obligations of the United States government, or (ii) obligations the principal of and interest on which are guaranteed by the United States government, or (iii) to the extent then permitted by law in obligations of any agency or instrumentality of the United States government, (iv) certificates of

deposit issued by a bank or trust company located in the State of North Carolina if such certificates shall be secured by a pledge of any of said obligations described in (i), (ii), or (iii) above having any aggregate market value, exclusive of accrued interest, equal at least to the principal amount of the certificates so secured. Nothing herein shall be construed as a limitation on the duration of any deposit in trust for the retirement of obligations being refunded but which shall not have matured and which shall not be presently redeemable or, if presently redeemable, shall not have been called for redemption.

The principal amount of refunding bonds issued pursuant to this section, together with the principal amount of refunding bonds, if any, issued under G.S. 159-78 in conjunction with refunding bonds issued pursuant to this section, shall not exceed the amount set forth in G.S. 159-78. (1953, c. 692; 1969, c. 1118, s. 4; 1971, c. 780, s. 1; 1977, c. 201, s. 3.)

Session Laws 1977, c. 708, s. 4, provides: "This act shall become effective upon the date of certification of an amendment to the Constitution of North Carolina as set out in Chapter 528 of the 1977 Session Laws. If this amendment is not so certified, this act shall not become effective." The amendment was approved by the voters at the election held Nov. 8, 1977. See N.C. Const., Art.V, § 10.

Session Laws 1977, c. 708, s. 1, provides in part: "This act is intended to implement the provisions of Article V, Section 10 of the North Carolina Constitution."

§ 159B-4. Authority of municipalities to jointly cooperate. — In addition and supplemental to the powers otherwise conferred on municipalities by the laws of the State, and in order to accomplish the purposes of this Chapter and to obtain a supply of electric power and energy for the present and future needs of its inhabitants and customers, a municipality may plan, finance, develop, construct, reconstruct, acquire, improve, enlarge, better, own, operate and maintain an undivided interest as a tenant in common in a project situated within or without the State jointly with one or more municipalities in this State or any state contiguous to this State owning electric distribution facilities or with any political subdivisions, agencies or instrumentalities of any state contiguous to this State or with joint agencies created pursuant to this Chapter, and may make such plans and enter into such contracts in connection therewith, not inconsistent with the provisions of this Chapter, as are necessary or appropriate.

Prior to acquiring any such undivided interest the governing board shall determine the needs of the municipality for power and energy based upon engineering studies and reports, and shall not acquire an undivided interest as a tenant in common in a project in excess of that amount of capacity and the energy associated therewith required to provide for its projected needs for power and energy from and after the date the project is estimated to be placed in normal continuous operation and for such reasonable period of time thereafter as shall be determined by the governing board and approved by the North Carolina Utilities Commission in a proceeding instituted pursuant to G.S. 159B-24 of this Chapter. In determining the future power requirements of a municipality, there shall be taken into account the following:

(1) The economies and efficiencies to be achieved in constructing on a large scale facilities for the generation and transmission of electric power and energy;
(2) The municipality's needs for reserve and peaking capacity and to meet obligations under pooling and reserve sharing agreements reasonably related to its needs for power and energy to which it is or may become a party;
(3) The estimated useful life of such project;
(4) The estimated time necessary for the planning, development, acquisition or construction of such project and the length of time required in advance to obtain, acquire or construct additional power supply; and
(5) The reliability and availability of existing or alternative power supply sources and the cost of such existing or alternative power supply sources.

A determination by such governing board approved by the North Carolina Utilities Commission based upon appropriate findings of the foregoing matters shall be conclusive as to the quantity of the interest which a municipality may acquire in a project unless a party to the proceeding aggrieved by the determination of said Commission shall file notice of appeal pursuant to Article 5 of Chapter 62 of the General Statutes of North Carolina.

Nothing herein contained shall prevent a municipality or municipalities from undertaking studies to determine whether there is a need for a project or whether such project is feasible. (1975, c. 186, s. 1; 1977, c. 385, s. 2.)

Editor's Note. — The 1977 amendment, in the first paragraph, substituted the language beginning "one or more municipalities in this State" and ending "or with joint agencies" for "one or more other municipalities, or with a joint agency" and deleted "or with municipal corporations or political subdivisions of other states (to the extent permitted by the laws of such other states)" following "pursuant to this Chapter."

§ 159B-5.1. Joint ownership with other public or private entities engaged in generation, transmission or distribution of electric power for resale. — Municipalities and joint agencies may jointly or severally own, operate and maintain projects with any person, firm, association or corporation, public or private, engaged in the generation, transmission or distribution of electric power and energy for resale within this State or any state contiguous to this State. Any municipality or joint agency shall have for such purposes all powers conferred upon them by the provisions of this Chapter including the power to issue revenue bonds pursuant to the provisions of this Chapter to finance its share of the cost of any such project. The definitions and all other terms and provisions of this Chapter shall be construed so as to include such undivided ownership interest in order to fully effectuate the power and authority conferred by the foregoing provisions of this section. (1977, c. 708, s. 3.)

Editor's Note. — Session Laws 1977, c. 708, s. 1, provides in part: "This act is intended to implement the provisions of Article V, Section 10 of the North Carolina Constitution."

Session Laws 1977, c. 708, s. 4, provides: "This act shall become effective upon the date of certification of an amendment to the Constitution of North Carolina as set out in Chapter 528 of the 1977 Session Laws. If this amendment is not so certified, this act shall not become effective." The amendment was approved by the voters at the election held Nov. 8, 1977. See N.C. Const. Art. V, § 10.

§ 159B-9. Creation of a joint agency; board of commissioners. — (a) The governing boards of two or more municipalities may by resolution or ordinance determine that it is in the best interests of the municipalities in accomplishing the purposes of this Chapter to create a joint agency as prescribed herein for the purpose of undertaking the planning, financing, development, acquisition, construction, reconstruction, improvement, enlargement, betterment, operation and maintenance of a project or projects to supply electric power and energy for their present or future needs as an alternative or supplemental method of obtaining the benefits and assuming the responsibilities of ownership in a project.

In determining whether or not creation of a joint agency for such purpose is in the best interests of the municipalities, the governing boards shall take into consideration, but shall not be limited to, the following:

(1) Whether or not a separate entity may be able to finance the cost of projects in a more efficient and economical manner;

(2) Whether or not better financial market acceptance may result if one entity is responsible for issuing all of the bonds required for a project or projects in a timely and orderly manner and with a uniform credit rating instead of multiple entities issuing separate issues of bonds;

(3) Whether or not savings and other advantages may be obtained by providing a separate entity responsible for the acquisition, construction, ownship and operation of a project or projects; and

(4) Whether or not the existence of such a separate entity will foster the continuation of joint planning and undertaking of projects, and the resulting economies and efficiencies to be derived from such joint planning and undertaking.

If each governing board shall determine that it is in the best interest of the municipality to create a joint agency to provide power and energy to the municipality as provided in this Chapter, each shall adopt a resolution or

ordinance so finding (which need not prescribe in detail the basis for the determination), and which shall set forth the names of the municipalities which are proposed to be initial members of the joint agency. The governing board of the municipality shall thereupon by ordinance or resolution appoint one commissioner of the joint agency who may, at the discretion of the governing board, be an officer or employee of the municipality.

Any two or more commissioners so named may file with the Secretary of State an application signed by them setting forth (i) the names of all the proposed member municipalities; (ii) the name and official residence of each of the commissioners so far as known to them; (iii) a certified copy of the appointment evidencing their right to office; (iv) a statement that each governing board of each respective municipality appointing a commissioner has made the aforesaid determination; (v) the desire that a joint agency be organized as a public body and a body corporate and politic under this Chapter; and (vi) the name which is proposed for the joint agency.

The application shall be subscribed and sworn to by such commissioners before an officer or officers authorized by the laws of the State to administer and certify oaths.

The Secretary of State shall examine the application and, if he finds that the name proposed for the joint agency is not identical with that of any other corporation of this State or of any agency or instrumentality thereof, or so nearly similar as to lead to confusion and uncertainty, he shall receive and file it and shall record it in an appropriate book of record in his office.

When the application has been made, filed and recorded as herein provided, the joint agency shall constitute a public body and a body corporate and politic under the name proposed in the application. The Secretary of State shall make and issue to the commissioners executing the application a certificate of incorporation pursuant to this Chapter under the seal of the State, and shall record the same with the application. The certificate shall set forth the names of the member municipalities.

In any suit, action or proceeding involving the validity or enforcement of, or relating to, any contract of the joint agency, the joint agency, in the absence of establishing fraud in the premises, shall be conclusively deemed to have been established in accordance with the provisions of this Chapter upon proof of the issuance of the aforesaid certificate by the Secretary of State. A copy of such certificate, duly certified by the Secretary of State, shall be admissible in evidence in any such suit, action or proceeding, and shall be conclusive proof of the filing and contents thereof.

Notice of the issuance of such certificate shall be given to all of the proposed member municipalities by the Secretary of State. If a commissioner of any such municipality has not signed the application to the Secretary of State and such municipality does not notify the Secretary of State of the appointment of a commissioner withion 40 days after receipt of such notice, such municipality shall be deemed to have elected not to be a member of the joint agency. As soon as practicable after the expiration of such 40-day period, the Secretary of State shall issue a new certificate of incorporation, if necessary, setting forth the names of those municipalities which have elected to become members of the joint agency. The failure of any proposed member to become a member shall not affect the validity of the corporate existence of the joint agency.

(c) The joint agency shall consist of a board of commissioners appointed by the respective governing boards of the municipalities which are members of the joint agency. Each commissioner shall have not less than one vote and may have in addition thereto such additional votes as the governing boards of a majority of the municipalities which are members of the agency shall determine. Each commissioner shall serve at the pleasure of the governing board by which he was appointed. Each appointed commissioner before entering upon his duties shall take and subscribe to an oath before some person authorized by law to

administer oaths to execute the duties of his office faithfully and impartially, and a record of each such oath shall be filed with the governing board of the appointing municipality and spread upon its minutes.
(1977, c. 385, ss. 3, 4.)

Editor's Note. — The 1977 amendment deleted "and shall cause notice of such determination to be given to the presiding officer of the governing board of the municipality who shall thereupon appoint in writing one commissioner of the joint agency" from the end of the first sentence of the third paragraph of subsection (a), added the second sentence of that paragraph, deleted the former second sentence of subsection (c), which read "Each municipality shall appoint one commissioner who may, at the discretion of the municipality, be an officer or employee of the municipality, the appointment to be made by resolution or ordinance," and substituted "governing boards of a majority of the municipalities which are members of the agency" for "members of the joint agency" in the present second sentence of subsection (c).

As the rest of the section was not changed by the amendment, only subsections (a) and (c) are set out.

§ 159B-10. Executive committee, composition; powers and duties; terms. — The board of commissioners of the joint agency may create an executive committee of the board of commissioners. The board may provide for the composition of the executive committee so as to afford, in its judgment, fair representation of the member municipalities. The executive committee shall have and shall exercise such of the powers and authority of the board of commissioners during the intervals between the board's meetings as shall be prescribed in the board's rules, motions and resolutions. The terms of office of the members of the executive committee and the method of filling vacancies therein shall be fixed by the rules of the board of commissioners of the joint agency. (1975, c. 186, s. 1; 1977, c. 385, s. 5.)

Editor's Note. — The 1977 amendment substituted "have and shall exercise such of the powers and authority" for "administer the business" and "as shall be prescribed in the board's rules, motions and resolutions" for "in accordance with its rules, motions or resolutions" in the third sentence.

§ 159B-11. General powers of joint agencies; prerequisites to undertaking projects. — Each joint agency shall have all of the rights and powers necessary or convenient to carry out and effectuate the purposes and provisions of this Chapter, including, but without limiting the generality of the foregoing, the rights and powers:

(10) To study, plan, finance, construct, reconstruct, acquire, improve, enlarge, extend, better, own, operate and maintain one or more projects, either individually or jointly with one or more municipalities in this State or any state contiguous to this State owning electric distribution facilities or with any political subdivisions, agencies or instrumentalities of any state contiguous to this State or with other joint agencies created pursuant to this Chapter, and to pay all or any part of the costs thereof from the proceeds of bonds of the joint agency or from any other funds made available to the joint agency;

(12) To acquire by private negotiated purchase or lease or otherwise an existing project, a project under construction, or other property, either individually or jointly, with one or more municipalities in this State or any state contiguous to this State owning electric distribution facilities or with any political subdivisions, agencies or instrumentalities of any state contiguous to this State or with other joint agencies created pursuant to this Chapter; to acquire by private negotiated purchase or lease or otherwise any facilities for the development, production,

manufacture, procurement, handling, storage, fabrication, enrichment, processing or reprocessing of fuel of any kind or any facility or rights with respect to the supply of water, and to enter into agreements by private negotiation or otherwise, for a period not exceeding fifty (50) years, for the development, production, manufacture, procurement, handling, storage, fabrication, enrichment, processing or reprocessing of fuel of any kind or any facility or rights with respect to the supply of water; no provisions of law with respect to the acquisition, construction or operation of property by other public bodies shall be applicable to an agency created pursuant to this Chapter unless the legislature shall specifically so state;

(13) To dispose of by private negotiated sale or lease, or otherwise an existing project, a project under construction, or other property either individually or jointly with one or more municipalities in this State or any state contiguous to this State owning electric distribution facilities or with any political subdivisions, agencies or instrumentalities of any state contiguous to this State or with other joint agencies created pursuant to this Chapter; to dispose of by private negotiated sale or lease, or otherwise any facilities for the development, production, manufacture, procurement, handling, storage, fabrication, enrichment, processing or reprocessing of fuel of any kind or any facility or rights with respect to the supply of water; no provisions of law with respect to the disposition of property by other public bodies shall be applicable to an agency created pursuant to this Chapter unless the legislature shall specifically so state;

(16) To negotiate and enter into contracts for the purchase, sale, exchange, interchange, wheeling, pooling, transmission or use of electric power and energy with any municipality in this State or any other state owning electric distribution facilities or with any political subdivisions, agencies or instrumentalities of any other state or with other joint agencies created pursuant to this Chapter, any electric membership corporation, any public utility, and any state, federal or municipal agency which owns electric generation, transmission or distribution facilities in this State or any other state;

(19a) To purchase power and energy and related services from any source on behalf of its members and other customers and to sell the same to its members and other customers in such amounts, with such characteristics, for such periods of time and under such terms and conditions as the board of commissioners of the joint agency shall determine;

(1977, c. 385, ss. 6-10.)

Editor's Note. — The 1977 amendment, in the first paragraph, inserted the language beginning "either individually or jointly" and ending "pursuant to this Chapter" in subdivision (10), rewrote subdivisions (12) and (13), inserted the language beginning "or with any political subdivisions" and ending "pursuant to this Chapter" in subdivision (16), and added subdivision (19a).

As the rest of the section was not changed by the amendment, only the introductory language and subdivisions (10), (12), (13), (16) and (19a) are set out.

§ 159B-13. Sale of excess capacity and output by a joint agency. — A joint agency may sell or exchange the excess capacity or output of a project not then required by any of its members, for such consideration and for such period and upon such other terms and conditions as may be determined by the parties, to any municipality in this State or any other state owning electric distribution facilities, to any political subdivisions, agencies or instrumentalities of any other

state, to other joint agencies created pursuant to this Chapter, to any electric membership corporation or public utility authorized to do business in this State, or to any other state, federal or municipal agency which owns electric generation, transmission or distribution facilities. Provided, however, that the foregoing limitations shall not apply to the temporary sale of excess capacity and energy without the State in cases of emergency or when required to fulfill obligations under any pooling or reserve sharing agreements; provided further, however, that sales of excess capacity or output of a project to electric membership corporations, public utilities, and other persons, the interest on whose securities and other obligations is not exempt from taxation by the federal government, shall not be made in such amounts, for such periods of time, and under such terms and conditions as will cause the interest on bonds issued to finance the cost of a project to become taxable by the federal government. (1975, c. 186, s. 1; 1977, c. 385, s. 11.)

Editor's Note. — The 1977 amendment, in the first sentence, inserted "in this State or any other state," inserted "other" preceding "state, federal or municipal agency," and substituted "distribution facilities, to any political subdivisions, agencies or instrumentalities of any other state, to other joint agencies created pursuant to this Chapter" for "distribution facilities in this State."

§ 159B-27. Taxes; payments in lieu of taxes. — (a) A project jointly owned by municipalities or owned by a joint agency shall be exempt from property taxes; provided, however, that each municipality possessing an ownership share of a project, and a joint agency owning a project, shall, in lieu of property taxes, pay to any governmental body authorized to levy property taxes the amount which would be assessed as taxes on real and personal property of a project if such project were otherwise subject to valuation and assessment by the Department of Revenue. Such payments in lieu of taxes shall be due and shall bear interest if unpaid, as in the cases of taxes on other property. Payments in lieu of taxes made hereunder shall be treated in the same manner as taxes for purposes of all procedural and substantive provisions of law.

(b) Each municipality having an ownership share in a project shall pay to the State in lieu of an annual franchise or privilege tax an amount equal to six percent (6%) of that percentage of all moneys expended by said municipality on account of its ownership share, including payment of principal and interest on bonds issued to finance such ownership share, which is equal to the percentage of such city or town's total entitlement that is used or sold by it to any person, firm or corporation exempted by law from the payment of the tax on gross receipts pursuant to G.S. 105-116.

(c) Each joint agency shall pay to the State in lieu of an annual franchise or privilege tax an amount equal to six percent (6%) of the gross receipts from sales of electric power and energy, less, however, such amounts as such joint agency pays for the purchase of electric power and energy from vendors taxed on such amounts under G.S. 105-116 and less amounts sold to any other person, firm or corporation engaged in selling such commodities or services to the public for which taxes are paid to this State.

(d) The State shall distribute to cities and towns which receive electric power and energy from their ownership share of a project or to which electric power and energy is sold by a joint agency an amount equal to a tax of three percent (3%) of all moneys expended by a municipality on account of its ownership share of a project, including payment of principal and interest on bonds issued to finance such ownership share, or an amount equal to a tax of three percent (3%) of the gross receipts from all sales of electric power and energy to such city or town by a joint agency, as the case may be.

(e) The reporting, payment and collection procedures contained in G.S. 105-116 shall apply to the levy herein made.

(f) Except as herein expressly provided with respect to jointly owned projects or projects owned by a joint agency no other property of a municipality used or useful in the generation, transmission and distribution of electric power and energy shall be subject to payments in lieu of taxes. (1973, c. 476, s. 193; 1975, c. 186, s. 1; 1977, c. 385, s. 12.)

Editor's Note. —

The 1977 amendment designated the former provisions of the first paragraph as subsection (a) and the former provisions of the second paragraph as subsection (f), added subsections (b) through (e), and deleted the former fourth sentence of present subsection (a), which related to a tax on power and energy derived from a municipality's ownership share of a project and power and energy sold by a joint agency.

Pursuant to Session Laws 1973, c. 476, s. 193, "Department of Revenue" has been substituted for "State Board of Assessment" in subsection (a) of this section as amended by Session Laws 1977, c. 385.

§ 159B-35. Additional method. — The foregoing sections of this Chapter shall be deemed to provide an additional, alternative and complete method for the doing of the things authorized thereby and shall be deemed and construed to be supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing; provided, however, that insofar as the provisions of this Chapter are inconsistent with the provisions of any other general, special or local law, the provisions of this Chapter shall be controlling. Nothing in this Chapter shall be construed to authorize the issuance of bonds for the purpose of financing facilities to be owned exclusively by any private corporation. (1975, c. 186, s. 1; 1977, c. 385, s. 13.)

Editor's Note. — The 1977 amendment inserted "exclusively" in the second sentence.

159C-22. Annual reports; application of Article 3, Subchapter III of Chapter 159.
159C-27. Creation, etc., of prior authorities ratified.

§ 159C-1. Short title.

Editor's Note. — Session Laws 1977, c. 198, s. 24, provides: "All existing rules and regulations of the North Carolina Department of Natural and Economic Resources applicable to General Statutes Chapter 159C shall continue in full force and effect as rules and regulations of the North Carolina Department of Commerce as successor of the Department of Natural and Economic Resources until repealed, modified or amended by the Department of Commerce."

§ 159C-4. Creation of authorities. — (a) The governing body of any county is hereby authorized to create by resolution a political subdivision and body corporate and politic of the State known as "The . . . . . (the blank space to be filled in with the name of the county) County Industrial Facilities and Pollution Control Financing Authority," which shall consist of a board of seven commissioners, to be appointed by the governing body of such county in the resolution creating such authority, or by subsequent resolution. At least 30 days prior to the adoption of such resolution, the governing body of such county shall file with the Department of Commerce and the Local Government Commission of the State notice of its intention to adopt a resolution creating an authority. At the time of the appointment of the first board of commissioners the governing body of the county shall appoint two commissioners for initial terms of two years each, two commissioners for initial terms of four years each and three commissioners for initial terms of six years each and thereafter the terms of all commissioners shall be six years, except appointments to fill vacancies which shall be for the unexpired terms. Each appointed commissioner before entering upon his duties shall take and subscribe to an oath before some person authorized by law to administer oaths to execute the duties of his office faithfully and impartially, and a record of each such oath shall be filed with the governing body of the county and entered in its minutes. All authority commissioners will serve at the pleasure of the governing body of the county. If at the end of any term of office of any commissioner a successor thereto shall not have been appointed, then the commissioner whose term of office shall have expired shall continue to hold office until his successor shall be so appointed and qualified.

(b) Each commissioner of an authority shall be a qualified elector and resident of the county for which the authority is created, and no commissioner shall be an elected official of the county for which the authority is created. Any commissioner of an authority may be removed, with or without cause, by the governing body of the county.

(f) Within 30 days of the date of creation of the authority, the authority shall advise the Department of Commerce and the Local Government Commission that an authority has been formed. The authority shall also furnish such Department and such Commission with (i) a list of its commissioners and its officers and (ii) a description of any projects that are under consideration by the authority. The authority shall, from time to time, notify the Department of

Commerce and the Local Government Commission of changes in commissioners and officers and of new projects under consideration by the authority. (1975, c. 800, s. 1; 1977, c. 198, s. 23; c. 719, s. 1.)

Editor's Note. — The first 1977 amendment substituted "Department of Commerce" for "Department of Natural and Economic Resources" in one place in subsection (a) and in two places in subsection (f).

The second 1977 amendment substituted "elected official of the county for which the authority is created" for "officer or employee of the State or any political subdivision or any agency of either of them" at the end of the first sentence of subsection (b).

Session Laws 1977, c. 198, s. 31, contains a severability clause.

As the rest of the section was not changed by the amendments, only subsections (a), (b) and (f) are set out.

§ 159C-7. Approval of project. — No bonds may be issued by an authority unless the project for which the issuance thereof is proposed is first approved by the Secretary of the Department of Commerce. The authority shall file an application for approval of its proposed project with the Secretary of the Department of Commerce, and shall notify the Local Government Commission of such filing.

The Secretary shall not approve any proposed project unless he shall make all of the following, applicable findings:

(1) In the case of a proposed industrial project,
   a. That the operator of the proposed project pays, or has agreed to pay thereafter, an average weekly manufacturing wage (i) which is above the average weekly manufacturing wage paid in the county, or (ii) which is not less than twenty percent (20%) above the average weekly manufacturing wage paid in the State, and
   b. That the proposed project will not have a materially adverse effect on the environment;

(2) In the case of a proposed pollution control project, that such project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur; and

(3) In any case (whether the proposed project is an industrial or a pollution control project), except a pollution control project for a public utility,
   a. That the jobs to be generated or saved, directly or indirectly, by the proposed project will be large enough in number to have a measurable impact on the area immediately surrounding the proposed project and will be commensurate with the size and cost of the proposed project,
   b. That the proposed operator of the proposed project has demonstrated or can demonstrate the capability to operate such project, and
   c. That the financing of such project by the authority will not cause or result in the abandonment of an existing industrial or manufacturing facility of the proposed operator or an affiliate elsewhere within the State unless the facility is to be abandoned because of obsolescence, lack of available labor in the area, or site limitations.

In no case shall the Secretary of the Department of Commerce make the findings required by subdivisions (1)b and (2) of this section unless he shall have first received a certification from the Department of Natural Resources and Community Development that, in the case of a proposed industrial project, the proposed project will not have a materially adverse effect on the environment and that, in the case of a proposed pollution control project, the proposed project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur. In any

case where the Secretary shall make all of the required findings respecting a proposed industrial project except that prescribed in subparagraph (1)a of this section, the Secretary may, in his discretion, approve the proposed project if he shall have received (i) a resolution of the governing body of the county requesting that the proposed project be approved notwithstanding that the operator will not pay an average weekly manufacturing wage above the average weekly manufacturing wage in the county and (ii) a letter from an appropriate State official, selected by the Secretary, to the effect that unemployment in the county is especially severe.

To facilitate his review of each proposed project, the Secretary may require the authority to obtain and submit such data and information about such project as the Secretary may prescribe. In addition, the Secretary may, in his discretion, request the authority to hold a public hearing on the proposed project for the purpose of providing the Secretary directly with the views of the community to be affected. The Secretary may also prescribe such forms and such rules and regulations as he shall deem reasonably necessary to implement the provisions of this section.

If the Secretary approves the proposed project, he shall prepare a certificate of approval evidencing such approval and setting forth his findings and shall cause said certificate of approval to be published in a newspaper of general circulation within the county. Any such approval shall be reviewable as provided in Article 4 of Chapter 150A of the General Statutes of North Carolina only by an action filed, within 30 days after notice of such findings and approval shall have been so published, in the Superior Court of Wake County. Such Superior Court is hereby vested with jurisdiction to hear such action, but if no such action is filed within the 30 days herein prescribed, the validity of such approval shall be conclusively presumed, and no court shall have authority to inquire into such approval. Copies of the certificate of approval of the proposed project will be given to the authority, the governing body of the county and the Secretary of the Local Government Commission.

Such certificate of approval shall become effective immediately following the expiration of such 30-day period or the expiration of any appeal period after a final determination by any court of any action timely filed pursuant to this section. Such certificate shall expire one year after its date unless extended by the Secretary who shall not extend such certificate unless he shall again approve the proposed project as provided in this section. (1975, c. 800, s. 1; 1977, c. 198, s. 23; c. 719, ss. 2, 3; c. 771, s. 4.)

Editor's Note. — The first 1977 amendment substituted "Department of Commerce" for "Department of Natural and Economic Resources" in two places in the first paragraph and added the first sentence of the third paragraph.

The second 1977 amendment, in sub-subdivision (1)a in the second paragraph, inserted "weekly" following "pay thereafter, an average," inserted the clause (i) designation, and inserted "or (ii) which is not less than twenty percent (20%) above the average weekly manufacturing wage paid in the State." The amendment also inserted "weekly" preceding "manufacturing wage" in two places in clause (i) of the third paragraph.

The third 1977 amendment substituted "Natural Resources and Community Development" for "Natural and Economic Resources" in the first sentence of the third paragraph.

Session Laws 1977, c. 198, s. 31, and c. 771, s. 22, contain severability clauses.

§ 159C-8. Approval of bonds. — No bonds may be issued by an authority unless the issuance thereof is first approved by the Local Government Commission.

The authority shall file an application for approval of its proposed bond issue with the Secretary of the Local Government Commission, and shall notify the Secretary of the Department of Commerce of such filing.

In determining whether a proposed bond issue should be approved, the Local Government Commission may consider, without limitation, the following:

(1) Whether the proposed operator and obligor have demonstrated or can demonstrate the financial responsibility and capability to fulfill their obligations with respect to the lease agreement. In making such determination, the Commission may consider the operator's experience and the obligor's ratio of current assets to current liabilities, net worth, earnings trends and coverage of fixed charges, the nature of the industry or business involved and its stability and any additional security such as insurance, guaranties or property to be pledged to secure such bonds.

(2) Whether the political subdivisions in or near which the proposed project is to be located have the ability to cope satisfactorily with the impact of such project and to provide, or cause to be provided, the public facilities and services, including utilities, that will be necessary for such project and on account of any increase in population which are expected to result therefrom.

(3) Whether the proposed date and manner of sale will have an adverse effect upon any scheduled or anticipated sale of obligations by the State or any political subdivision or any agency of either of them.

To facilitate the review of the proposed bond issue by the Commission, the Secretary may require the authority to obtain and submit such financial data and information about the proposed bond issue and the security therefor, including the proposed prospectus or offering circular, the proposed lease agreement and security document and annual and other financial reports and statements of the obligor, as the Secretary may prescribe. The Secretary may also prescribe such forms and such rules and regulations as he shall deem reasonably necessary to implement the provisions of this section. (1975, c. 800, s. 1; 1977, c. 198, s. 23.)

Editor's Note. — The 1977 amendment substituted "Department of Commerce" for "Department of Natural and Economic Resources" in the second paragraph.

Session Laws 1977, c. 198, s. 31, contains a severability clause.

§ 159C-12. Security documents. — Bonds issued under the provisions of this Chapter may be secured by a security document which may be a trust instrument between the authority and a bank or trust company or individual within the State, or a bank or a trust company without the State, as trustee. Such security document may pledge and assign the revenues provided for the security of the bonds, including proceeds from the sale of any project, or part thereof, insurance proceeds and condemnation awards, and may convey or mortgage the project and other property to secure a bond issue.

The revenues and other funds derived from the project, except such part thereof as may be necessary to provide reserves therefor, if any, shall be set aside at such regular intervals as may be provided in such security document in a sinking fund which may be thereby pledged to, and charged with, the payment of the principal of and the interest on such bonds as the same shall become due and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made. The revenues so pledged and thereafter received by the authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the authority, irrespective of whether such parties have notice thereof. The use and disposition of money to the credit of such sinking fund shall be subject to the provisions of the security document. Such

security document may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including, without limitation, any one or more of the following:

(1) Acceleration of all amounts payable under the security document;
(2) Appointment of a receiver to manage the project and any other property mortgaged or assigned as security for the bonds;
(3) Foreclosure and sale of the project and any other property mortgaged or assigned as security for the bonds; and
(4) Rights to bring and maintain such other actions at law or in equity as may appear necessary or desirable to collect the amounts payable under, or to enforce the covenants made in, the security document.

It shall be lawful for any bank or trust company incorporated under the laws of this State which may act as depositary of the proceeds of bonds, revenues or other funds provided under this Chapter to furnish such indemnifying bonds or to pledge such securities as may be required by the authority. All expenses incurred in carrying out the provisions of such security document may be treated as a part of the cost of the project in connection with which bonds are issued or as an expense of administration of such project.

The authority may subordinate the bonds or its rights under the lease agreement or otherwise to any prior, contemporaneous or future securities or obligations or lien, mortgage or other security interest. (1975, c. 800, s. 1; 1977, c. 719, s. 4.)

Editor's Note. — The 1977 amendment substituted "and a bank or trust company or individual within the State, or a bank or a trust company without the State, as trustee" for "and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the State" at the end of the first sentence of the first paragraph and added the fourth paragraph.

§ 159C-14. Tax exemption. — The authority shall not be required to pay any taxes on any project or on any other property owned by the authority under the provisions of this Chapter or upon the income therefrom.

The interest on bonds issued by the authority shall be exempt from all income taxes within the State.

All projects and all transactions therefor shall be subject to taxation to the extent such projects and transactions would be subject to taxation if no public body were involved therewith. (1975, c. 800, s. 1; 1977, c. 719, s. 5.)

Editor's Note. — The 1977 amendment rewrote this section.

§ 159C-15. Construction contracts. — The authority may agree with the prospective operator that all contracts relating to the acquisition, construction, installation and equipping of a project shall be solicited, negotiated, awarded and executed by the prospective operator and its agents subject only to such approvals by the authority as the authority may require in such agreement. Such agreement may provide that the authority may, out of the proceeds of bonds, make advances to or reimburse the operator for all or a portion of its costs incurred in connection with such contracts. (1975, c. 800, s. 1; 1977, c. 719, s. 6.)

Editor's Note. — The 1977 amendment rewrote this section.

§ 159C-16. Conflict of interest. — If any officer, commissioner or employee of the authority, or any member of the governing body of the county for which the authority is created, shall be interested either directly or indirectly in any contract with the authority, such interest shall be disclosed to the authority and the county board of commissioners and shall be set forth in the minutes of the authority and the county board of commissioners, and the officer, commissioner, employee or member having such interest therein shall not participate on behalf of the authority in the authorization of any such contract or on behalf of the governing body of the county in the approval of the bonds to be issued by the authority to finance the project, respectively; provided, however, that this section shall not apply to the ownership of less than one per centum (1%) of the stock of any operator or obligor. Failure to take any or all actions necessary to carry out the purposes of this section shall not affect the validity of bonds issued pursuant to the provisions of this Chapter. (1975, c. 800, s. 1; 1977, c. 719, s. 7.)

Editor's Note. — The 1977 amendment rewrote this section.

§ 159C-22. Annual reports; application of Article 3, Subchapter III of Chapter 159. — Each authority shall, promptly following the close of each calendar year, submit an annual report of its activities for the preceding year to the governing body of the county for which the authority was created. Each such report shall set forth a complete operating and financial statement covering the operations of the authority during such year.

The provisions of Article 3, Subchapter III of Chapter 159 of the General Statutes of North Carolina entitled: "The Local Government Budget and Fiscal Control Act" shall have no application to authorities created pursuant to this Chapter. (1975, c. 800, s. 1; 1977, c. 719, s. 8.)

Editor's Note. — The 1977 amendment deleted the former third sentence of the first paragraph, which provided for auditing of an authority's books and records, and added the second paragraph.

§ 159C-27. Creation, etc., of prior authorities ratified. — The creation, formation and organization of all authorities heretofore [prior to June 24, 1977] purported to have been created, formed and organized are hereby ratified, confirmed and validated. (1977, c. 719, s. 9.)

SUBCHAPTER VIII. PARKING AUTHORITIES AND FACILITIES.

ARTICLE 38A.

Public Transportation Authorities.

§ 160-496.1. Title. — This Article shall be known and may be cited as the "North Carolina Public Transportation Authorities Act." (1977, c. 465.)

§ 160-496.2. Definitions. — As used in this Article, unless the context otherwise requires:

(1) "Authority" means a body corporate and politic organized in accordance with the provisions of this Article for the purposes, with the powers and subject to the restrictions hereinafter set forth.

(2) "Governing body" means the board, commission, council or other body, by whatever name it may be known, in which the general legislative powers of the municipality are vested.

(3) "Municipality" means any county, city, or town of this State, and any other political subdivision, public corporation, authority, or district in this State, which is or may be authorized by law to acquire, establish, construct, enlarge, improve, maintain, own, and operate public transportation systems.

(4) "Municipality's chief administrative official" means the county manager, city manager, town manager, or other person, by whatever title he shall be known, in whom the responsibility for the municipality's administrative duties is vested.

(5) "Public transportation" means transportation of passengers whether or not for hire by any means of conveyance, including but not limited to a street railway, elevated railway or guideway, subway, motor vehicle or motor bus, either publicly or privately owned and operated, holding itself out to the general public for the transportation of persons within the territorial jurisdiction of the authority, including charter service.

(6) "Public transportation system" means, without limitation, a combination of real and personal property, structures, improvements, buildings, equipment, vehicle parking or other facilities, and rights-of-way, or any combination thereof, used or useful for the purposes of public transportation. (1977, c. 465.)

§ 160-496.3. Creation; membership. — A municipality may, by resolution or ordinance, create a transportation authority, hereinafter sometimes referred to as the "authority." It shall be a body corporate and politic. It shall consist of up to 11 members as determined by the governing body of the municipality.

Members of the authority shall reside within the territorial jurisdiction of the authority as hereinafter set out. They shall be appointed by the governing body of the municipality. The terms of the members shall be fixed by the governing body. Appointments to fill vacancies occurring during the regular terms shall be made by the governing body. The appointments of all members shall run until their successors are appointed and qualified.

The members of the authority shall elect a chairman and vice-chairman from the membership of the authority. They shall also elect a secretary who may, or may not, be a member of the authority.

A majority of the members shall constitute a quorum for the transaction of business and an affirmative vote of the majority of the members present at a meeting of the authority shall be required to constitute action of the authority. Members of the authority shall receive such compensation, if any, as may be fixed by the governing body of the municipality. (1977, c. 465.)

§ 160-496.4. Purpose of the authority. — The purpose of the authority shall be to provide for a safe, adequate and convenient public transportation system for the municipality creating the authority and for its immediate environs, through the granting of franchises, ownership and leasing of terminals, buses and other transportation facilities and equipment, and otherwise through the exercise of the powers and duties conferred upon it. (1977, c. 465.)

§ 160-496.5. General powers of the authority. — The general powers of the authority shall include any or all of the following:

(1) To sue and be sued;
(2) To have a seal;
(3) To make rules and regulations, not inconsistent with this Chapter, for its organization and internal management;
(4) To employ persons deemed necessary to carry out the management functions and duties assigned to them by the authority and to fix their compensation, within the limit of available funds;
(5) With the approval of the municipality's chief administrative official, to use officers, employees, agents and facilities of the municipality for such purposes and upon such terms as may be mutually agreeable;
(6) To retain and employ counsel, auditors, engineers and private consultants on an annual salary, contract basis, or otherwise for rendering professional or technical services and advice;
(7) To acquire, maintain and operate such lands, buildings, structures, facilities, and equipment as may be necessary or convenient for the operations of the authority and for the operation of a public transportation system;
(8) To make or enter into contracts, agreements, deeds, leases, conveyances or other instruments, including contracts and agreements with the United States and the State of North Carolina;
(9) To surrender to the municipality any property no longer required by the authority;
(10) To make plans, surveys and studies of public transportation facilities within the territorial jurisdiction of the authority and to prepare and make recommendations in regard thereto;
(11) To enter into and perform contracts with public transportation companies with respect to the operation of public passenger transportation;

(12) To issue certificates of public convenience and necessity; and to grant franchises and enter into franchise agreements and in all respects to regulate the operation of buses, taxicabs and other methods of public passenger transportation which originate and terminate within the territorial jurisdiction of the authority as fully as the municipality is now or hereafter empowered to do within the territorial jurisdiction of the municipality;

(13) To operate public transportation systems and to enter into and perform contracts to operate public transportation services and facilities and to own or lease property, facilities and equipment necessary or convenient therefor, and to rent, lease or otherwise sell the right to do so to any person, public or private; further, to the extent authorized by resolution or ordinance of the municipality to obtain grants, loans and assistance from the United States, the State, any public body, or any private source whatsoever;

(14) To enter into and perform contracts and agreements with other public transportation authorities pursuant to the provisions of G.S. 160A-460 through 160A-464 of Part 1 of Article 20 of Chapter 160A of the General Statutes; in addition, to enter into and perform contracts with other units of local government when specifically authorized by the governing body, pursuant to the provisions of G.S. 160A-460 through 160A-464 of Part 1 of Article 20 of Chapter 160A of the General Statutes;

(15) To do all things necessary or convenient to carry out its purpose and to exercise the powers granted to the authority. (1977, c. 465.)

§ 160-496.6. Authority of Utilities Commission not affected. — Except as otherwise provided herein, nothing in this Article shall be construed to limit or otherwise affect the power or authority of the North Carolina Utilities Commission or the right of appeal to the North Carolina Utilities Commission as provided by law. (1977, c. 465.)

§ 160-496.7. Territorial jurisdiction. — The jurisdiction of the authority shall extend to all local public passenger transportation operating within the municipality. Said jurisdiction shall also extend up to 30 miles outside of the corporate limits of the municipality where the municipality is a town or city, and up to five miles outside of the boundaries of the municipality where the municipality is a county or up to five miles outside of the combined boundaries of a group of counties. The authority shall not have jurisdiction over public transportation subject to the jurisdiction of and regulated by the I.C.C., nor shall it have jurisdiction over intrastate public transportation classified as common carriers of passengers by the North Carolina Utilities Commission. A public transportation authority shall not extend service into a political subdivision without the consent of the governing body of that political subdivision. A majority vote of the governing body shall constitute consent. (1977, c. 465.)

§ 160-496.8. Fiscal accountability. — The authority shall be fiscally accountable to the municipality, and the municipality's governing body shall have authority to examine all records and accounts of the authority at any time. (1977, c. 465.)

§ 160-496.9. Funds. — The establishment and operation of a transportation authority as herein authorized are governmental functions and constitute a public purpose, and the municipality is hereby authorized to appropriate funds

to support the establishment and operation of the transit authority. The municipality may also dedicate, sell, convey, donate or lease any of its interest in any property to the authority. Further, the authority is hereby authorized to establish such license and regulatory fees and charges as it may deem appropriate, subject to the approval of the governing body of the municipality. If the governing body finds that the funds otherwise available are insufficient, it may call a special election without a petition and submit to the qualified voters of the municipality the question of whether or not a special tax shall be levied and/or bonds issued, specifying the maximum amount thereof, for the purpose of acquiring lands, buildings, equipment and facilities and for the operations of the transit authority. (1977, c. 465.)

§ 160-496.10. Effect on existing franchises and operations. — In the event a transportation authority is established under the authority of this Article, any existing franchises granted by the municipality shall continue in full force and effect until legally terminated; further, all ordinances and resolutions of the municipality regulating bus operations and taxicabs shall continue in full force and effect until superseded by regulations of the transportation authority. (1977, c. 465.)

§ 160-496.11. Termination. — The governing body of the municipality shall have the authority to terminate the existence of the authority at any time. In the event of such termination, all property and assets of the authority shall automatically become the property of the municipality and the municipality shall succeed to all rights, obligations and liabilities of the authority. (1977, c. 465.)

§ 160-496.12. Controlling provisions. — Insofar as the provisions of this Article are not consistent with the provisions of any other law, public or private, the provisions of this Article shall be controlling. (1977, c. 465.)

§ 160-496.13. Consolidation of public transportation authority and parking authority. — The municipality may, by resolution or ordinance, vest in a single body corporate and politic both the powers of a public transportation authority in accordance with the provisions of this Article and the powers of a parking authority in accordance with the provisions of Article 38 of Chapter 160 of the General Statutes. Notwithstanding the membership provisions of G.S. 160-478, the members of a consolidated body created pursuant to this section shall be selected according to the provisions of G.S. 160-496.3. (1977, c. 465.)

§ 160-496.14. Joint provision of services. — Two or more municipalities may cooperate in the exercise of any power granted by this Article according to the procedures and provisions of G.S. 160A-460 through 160A-464 of Part 1 of Article 20 of Chapter 160A of the General Statutes. Additional municipalities may join an existing transportation authority upon making satisfactory arrangements pursuant to the provisions of G.S. 160A-460 through 160A-464 of Part 1 of Article 20 of Chapter 160A of the General Statutes. Municipal Board of Control.

§ 160A-9.2. Necessary findings by the Board. — The Board shall enter an order incorporating the area if, upon the information and evidence it receives, it finds:

(1) That incorporation of the area is necessary or expedient and in the public interest.

(2) That the area has a permanent resident population of at least 500 or a seasonal population of at least 1,000.

(3) That the appraised value of property subject to taxation by the city will be sufficient to enable it to provide appropriate municipal services to its citizens.

(4) That no portion of the area lies within one mile of the corporate limits of any other city having a population of 5,000 or more according to the most recent decennial census of population taken by order of Congress, or within three miles of the corporate limits of any other city having a population of 10,000 or more according to the most recent decennial census of population taken by order of Congress, or within four miles of the corporate limits of any other city having a population of 25,000 or more according to the most recent decennial census of population taken by order of Congress, or within five miles of the corporate limits of any other city having a population of 50,000 or more according to the most recent decennial census of population taken by order of Congress.

(5) That at least sixty percent (60%) of the area within the proposed city is already developed for residential, commercial, industrial, institutional, or governmental uses, and that the remaining area is not separated from the developed area by natural barriers to urban growth.

In making the findings required by this section, the Board may call upon the division of community planning of the Department of Natural Resources and Community Development for technical assistance.

If the area does not meet all of the criteria set out in this section, the Board may not incorporate it as a city. (1971, c. 896, s. 9; c. 921, s. 6; 1973, c. 426, s. 5; c. 1262, s. 51; 1975, c. 664, s. 4; 1977, c. 771, s. 4.)

Editor's Note. —

The 1977 amendment substituted "Natural Resources and Community Development" for "Natural and Economic Resources" near the end of the second paragraph.

ARTICLE 3.

Contracts.

§ 160A-18. Certain deeds validated.

(b1) All conveyances of any interest in real property by private sale, including conveyance in fee, made by the governing body of any county before January 1, 1977 are hereby validated, ratified, and confirmed notwithstanding the fact that such conveyances were made by private sale, without advertisement, and not after notice and public outcry.

(c) Nothing in this section shall affect any action or proceeding begun before January 1, 1977. (Ex. Sess. 1924, c. 95; 1951, c. 44; 1959, c. 487; 1971, c. 698, s. 1; 1977, c. 1103.)

Editor's Note. — The 1977 amendment added subsection (b1) and substituted "January 1, 1977" for "January 1, 1972" at the end of subsection (c).

As the rest of the section was not changed by the amendment, only subsections (b1) and (c) are set out.

ARTICLE 4A.

Extension of Corporate Limits.

Part 1. Extension by Referendum or Petition.

§ 160A-24. Procedure for adoption of ordinance extending limits; effect of adoption when no election required; public hearing and notice thereof. — After public notice has been given by publication once a week for four successive weeks in a newspaper in the county with a general circulation in the municipality, or if there be no such paper, by posting notice in five or more public places within the municipality, describing by metes and bounds the territory to be annexed, thus notifying the owner or owners of the property located in such territory, that a session of the municipal legislative body will meet for the purpose of considering the annexation of such territory to the municipality, the governing body of any municipality is authorized and empowered to adopt an ordinance extending its corporate limits by annexing thereto any contiguous tract or tracts of land not embraced within the corporate limits of some other municipality. Provided, that it shall be essential and necessary to the validity of any ordinance extending the corporate limits of any municipality by annexation, pursuant to this section, to actually hold a public hearing pursuant to the notice herein required, and that a statement by or on behalf of the municipal governing body, of the purpose or reasons for the proposed extension of the corporate limits be

made at the beginning of the public hearing, and that reasonable opportunity to be heard be given any who attend such public hearing with regard thereto. The public notice shall (i) fix the date, hour and place of the public hearing, and (ii) describe clearly the boundaries of the area under consideration. Then from and after the date of the adoption of such ordinance, unless an election is required as herein provided, the territory and its citizens and property shall be subject to all debts, laws, ordinances and regulations in force in said city or town and shall be entitled to the same privileges and benefits as other parts of said city or town. Real and personal property in the newly annexed territory on the January 1 immediately preceding the beginning of the fiscal year in which the annexation becomes effective is subject to municipal taxes as provided in G.S. 160A-58.10. (1947, c. 725, s. 1; 1967, c. 929; 1973, c. 426, s. 74; 1975, c. 576, s. 1; 1977, c. 517, s. 2.)

Editor's Note. —

The 1977 amendment substituted the present fifth sentence for the former fifth through eighth sentences, which pertained to the liability of a territory for municipal taxes for the fiscal year in which it was annexed.

Session Laws 1977, c. 517, s. 10, provides: "If an annexation became or becomes effective after December 31, 1975, and before July 1, 1977, and newly annexed property was or is taxed under the procedures of G.S. 160A-24, G.S. 160A-31(e), G.S. 160A-37(f), G.S. 160A-49(f), or G.S. 160A-58.3, as those sections read immediately before the effective date of Chapter 576 of the 1975 Session Laws, that method of taxation is hereby validated. No person may be held liable under G.S. 105-380 or any other statute because those procedures were followed rather than the procedures established by Chapter 576 of the 1975 Session Laws."

Session Laws 1977, c. 517, s. 11, provides: "This act becomes effective upon ratification. However, any annexation already adopted on or before July 3, 1977, may be implemented under the provisions of Chapter 576 of the 1975 Session Laws."

§ 160A-25. Referendum on question of extension.

Local Modification. — Pamlico County: 1977, c. 478, s. 2.

Cited in Armento v. City of Fayetteville, 32 N.C. App. 256, 231 S.E.2d 689 (1977).

§ 160A-28. Ballots; effect of majority vote for extension. — At such election those qualified voters who present themselves to the election officials at the respective voting places shall be furnished with ballots upon which shall be written or printed the words "For Extension" and "Against Extension." If at such election a majority of the votes cast from the area proposed for annexation shall be "For Extension," and, in the event an election is held in the municipality, the majority of the votes cast in the municipality shall also be "For Extension," then from and after the date of the declaration of the result of such election the territory and its citizens and property shall be subject to all the debts, laws, ordinances, and regulations in force in said city or town and shall be entitled to the same privileges and benefits as other parts of said city or town. Real and personal property in the newly annexed territory on the January 1 immediately preceding the begining of the fiscal year in which the annexation becomes effective is subject to municipal taxes as provided in G.S. 160A-58.10. (1947, c. 725, s. 5; 1973, c. 426, s. 74; 1977, c. 517, s. 3.)

Editor's Note. — The 1977 amendment rewrote the third sentence, which formerly read "The newly elected territory shall be subject to city taxes levied for the fiscal year following the date of annexation."

§ 160A-31. Annexation by petition.

(e) From and after the effective date of the annexation ordinance, the territory and its citizens and property shall be subject to all debts, laws,

ordinances and regulations in force in such municipality and shall be entitled to the same privileges and benefits as other parts of such municipality. Real and personal property in the newly annexed territory on the January 1 immediately preceding the beginning of the fiscal year in which the annexation becomes effective is subject to municipal taxes as provided in G.S. 160A-58.10. If the effective date of annexation falls between June 1 and June 30, and the effective date of the privilege license tax ordinance of the annexing municipality is June 1, then businesses in the area to be annexed shall be liable for taxes imposed in such ordinance from and after the effective date of annexation.

(1977, c. 517, s. 4.)

Editor's Note. —

The 1977 amendment, in subsection (e), substituted the present second sentence for the former second through sixth sentences, which pertained to the liability of a territory for municipal taxes for the fiscal year in which it was annexed.

Session Laws 1977, c. 517, s. 10, provides: "If an annexation became or becomes effective after December 31, 1975, and before July 1, 1977, and newly annexed property was or is taxed under the procedures of G.S. 160A-24, G.S. 160A-31(e), G.S. 160A-37(f), G.S. 160A-49(f), or G.S. 160A-58.3, as those sections read immediately before the effective date of Chapter 576 of the 1975 Session Laws, that method of taxation is hereby validated. No person may be held liable under G.S. 105-380 or any other statute because those procedures were followed rather than the procedures established by Chapter 576 of the 1975 Session Laws."

Session Laws 1977, c. 517, s. 11, provides: "This act becomes effective upon ratification. However, any annexation already adopted on or before July 3, 1977, may be implemented under the provisions of Chapter 576 of the 1975 Session Laws."

As the rest of the section was not changed by the amendment, only subsection (e) is set out.

Part 2. Annexation by Cities of Less than 5,000.

§ 160A-37. Procedure for annexation.

(f) Effect of Annexation Ordinance. — From and after the effective date of the annexation ordinance, the territory and its citizens and property shall be subject to all debts, laws, ordinances and regulations in force in such municipality and shall be entitled to the same privileges and benefits as other parts of such municipality. Real and personal property in the newly annexed territory on the January 1 immediately preceding the beginning of the fiscal year in which the annexation becomes effective is subject to municipal taxes as provided in G.S. 160A-58.10. If the effective date of annexation falls between June 1 and June 30, and the effective date of the privilege license tax ordinance of the annexing municipality is June 1, then businesses in the area to be annexed shall be liable for taxes imposed in such ordinance from and after the effective date of annexation.

(1977, c. 517, s. 5.)

Editor's Note. — The 1977 amendment, in subsection (f), substituted the present second sentence for the former second through sixth sentences, which pertained to the liability of a territory for municipal taxes for the fiscal year in which it was annexed.

Session Laws 1977, c. 517, s. 10, provides: "If an annexation became or becomes effective after December 31, 1975, and before July 1, 1977, and newly annexed property was or is taxed under the procedures of G.S. 160A-24, G.S. 160A-31(e), G.S. 160A-37(f), G.S. 160A-49(f), or G.S. 160A-58.3, as those sections read immediately before the effective date of Chapter 576 of the 1975 Session Laws, that method of taxation is hereby validated. No person may be held liable under G.S. 105-380 or any other statute because those procedures were followed rather than the procedures established by Chapter 576 of the 1975 Session Laws."

Session Laws 1977, c. 517, s. 11, provides: "This act becomes effective upon ratification. However, any annexation already adopted on or before July 3, 1977, may be implemented under

the provisions of Chapter 576 of the 1975 Session Laws."

As the rest of the section was not changed by the amendment, only subsection (f) is set out.

§ 160A-38. Appeal.

(h) Any party to the review proceedings, including the municipality, may appeal to the Court of Appeals from the final judgment of the superior court under rules of procedure applicable in other civil cases. The appealing party may apply to the superior court for a stay in its final determination, or a stay of the annexation ordinance, whichever shall be appropriate, pending the outcome of the appeal to the Court of Appeals; provided, that the superior court may, with the agreement of the municipality, permit annexation to be effective with respect to any part of the area concerning which no appeal is being made and which can be incorporated into the city without regard to any part of the area concerning which an appeal is being made.

(i) If part or all of the area annexed under the terms of an annexation ordinance is the subject of an appeal to the superior court, Court of Appeals or Supreme Court on the effective date of the ordinance, then the ordinance shall be deemed amended to make the effective date with respect to such area the date of the final judgment of the superior court, Court of Appeals or Supreme Court, whichever is appropriate, or the date the municipal governing board completes action to make the ordinance conform to the court's instructions in the event of remand. (1959, c. 101, s. 6; 1973, c. 426, s. 74; 1977, c. 148, ss. 6, 7.)

Editor's Note. — The 1977 amendment substituted "Court of Appeals" for "Supreme Court" in two places in subsection (h) and substituted "superior court, Court of Appeals or Supreme Court" for "superior or Supreme Court" in two places in subsection (i).

As the rest of the section was not changed by the amendment, only subsections (h) and (i) are set out.

Applied in Taylor v. City of Raleigh, 290 N.C. 608, 227 S.E.2d 576 (1976).

§ 160A-44. Counties excepted from Part; Part 1 continued for such counties. — The provisions of this Part shall not apply to the following counties: Alleghany, Edgecombe, Halifax, Iredell, Nash, except for the towns of Nashville, Spring Hope, Castalia and Middlesex, Pender, Perquimans and Person, provided the provisions of this Part shall apply to the towns of Whitakers, Sharpsburg, and Battleboro in Edgecombe and Nash Counties. This Part shall not apply to the town of King in Stokes County, nor to the town of Pilot Mountain in Surry County. No territory located in Brunswick County may be annexed under the provisions of this Part. No territory in Pamlico County may be annexed under the provisions of this Part by any town or city with a population of 1,000 or less according to the most recent federal decennial census.

Notwithstanding any other provisions of this Part, Part 1 of Article 36 of Chapter 160 [Part 1 of Article 4A of Chapter 160A] of the General Statutes of North Carolina and specifically G.S. 160A-31 as the same may be rewritten or amended, shall remain in full force and effect as to the counties herein named. Editor's Note. —

The first 1977 amendment deleted, at the end of the first paragraph, "by any city with a population, according to the most recent federal census, of less than 2,000."

The second 1977 amendment added the third sentence of the first paragraph.

Session Laws 1977, c. 27, s. 2, provides: "This act shall become effective upon ratification, but it shall not affect annexations presently in progress." The act was ratified Feb. 24, 1977.

Real and personal property in the newly annexed territory on the January 1 immediately preceding the beginning of the fiscal year in which the annexation becomes effective is subject to municipal taxes as provided in G.S. 160A-58.10. Provided that annexed property which is a part of a sanitary district, which has installed water and sewer lines, paid for by the residents of said district, shall not be subject to that part of the municipal taxes levied for debt service for the first five years after the effective date of annexation. If this proviso should be declared by a court of competent jurisdiction to be in violation of any provision of the federal or State Constitution, the same shall not affect the remaining provisions of this Part. If the effective date of annexation falls between June 1 and June 30, and the effective date of the privilege license tax ordinance of the annexing municipality is June 1, then businesses in the area to be annexed shall be liable for taxes imposed in such ordinances from and after the effective date of annexation.

(1977, c. 517, s. 6.)

Local Modification. — City of Raleigh: 1977, c. 351.

Editor's Note —

The 1977 amendment, in subsection (f), substituted the present second sentence for the former second through fifth sentences, which pertained to the liability of a territory for municipal taxes for the fiscal year in which it was annexed, and deleted the former eighth sentence, which provided for the municipality's obtaining from the county from which the annexed area was taken property tax listing records for purposes of levying taxes.

As the rest of the section was not changed by the amendment, only subsection (f) is set out.

Session Laws 1977, c. 517, s. 10, provides: "If an annexation became or becomes effective after December 31, 1975, and before July 1, 1977, and newly annexed property was or is taxed under the procedures of G.S. 160A-24, G.S. 160A-31(e), G.S. 160A-37(f), G.S. 160A-49(f), or G.S. 160A-58.3, as those sections read immediately before the effective date of Chapter 576 of the 1975 Session Laws, that method of taxation is hereby validated. No person may be held liable under G.S. 105-380 or any other statute because those procedures were followed rather than the procedures established by Chapter 576 of the 1975 Session Laws."

Session Laws 1977, c. 517, s. 11, provides: "This act becomes effective upon ratification. However, any annexation already adopted on or before July 3, 1977, may be implemented under the provisions of Chapter 576 of the 1975 Session Laws."

The purpose of subsection (a) requiring the resolution stating the intent to consider annexation is to record the town board's decision and to mark the formal beginning of the muncipality's actions. This resolution expresses the intent of the governing board and it has little significance to the public. Kritzer v. Town of Southern Pines, 33 N.C. App. 152, 234 S.E.2d 648 (1977).

Subsection (a) does not specifically require a written resolution nor is such a requirement implicit in the fact that the resolution must describe the land under consideration. Kritzer v. Town of Southern Pines, 33 N.C. App. 152, 234 S.E.2d 648 (1977).

The right of the general public to sufficient notice of the proposed annexation is protected by subsections (b) and (e). Kritzer v. Town of Southern Pines, 33 N.C. App. 152, 234 S.E.3d 648 (1977).

The notice of the public hearing must be published in a newspaper, or by other means, and must contain a clear description of the land under consideration. Kritzer v. Town of Southern Pines, 33 N.C. App. 152, 234 S.E.2d 648 (1977).

By virtue of subsection (e) the governing board is prohibited from annexing any land except that described in the notice of the public hearing. Kritzer v. Town of Southern Pines, 33 N.C. App. 152, 234 S.E.2d 648 (1977).

Amendment Subject to Referendum to Be Held in November, 1978. — Session Laws 1977, c. 455, s. 2, amends this section by deleting "Halifax" in the first sentence of the first paragraph.

Session Laws 1977, c. 455, s. 2, makes the amendment subject to a vote of the people of Roanoke Rapids Township at a referendum to be held in November 1978, and Session Laws 1977, c. 455, s. 3, provides that the city council of the City of Roanoke Rapids may cancel the election so provided for by the adoption of a resolution during the month of June, 1978, and that if such a resolution is adopted and notice thereof transmitted then the amendment shall be null and void.

§ 160A-58.3. Annexed area subject to city taxes and debts. — From and after the effective date of the annexation ordinance, the annexed area and its citizens and property are subject to all debts, laws, ordinances and regulations of the annexing city, and are entitled to the same privileges and benefits as other parts of the city. Real and personal property in the newly annexed territory on the January 1 immediately preceding the beginning of the fiscal year in which the annexation becomes effective is subject to municipal taxes as provided in G.S. 160A-58.10. If the effective date of annexation falls between June 1 and June 30, and the privilege licenses of the annexing city are due on June 1, then

businesses in the annexed area are liable for privilege license taxes at the full-year rate. (1973, c. 1173, s. 2; 1975, c. 576, s. 5; 1977, c. 517, s. 7.)

Editor's Note. — The 1977 amendment substituted the present second sentence for the former second through sixth sentences, which pertained to the liability of a territory for municipal taxes for the fiscal year in which it was annexed.

Session Laws 1977, c. 517, s. 10, provides: "If an annexation became or becomes effective after December 31, 1975, and before July 1, 1977, and newly annexed property was or is taxed under the procedures of G.S. 160A-24, G.S. 160A-31(e), G.S. 160A-37(f), G.S. 160A-49(f), or G.S. 160A-58.3, as those sections read immediately before the effective date of Chapter 576 of the 1975 Session Laws, that method of taxation is hereby validated. No person may be held liable under G.S. 105-380 or any other statute because those procedures were followed rather than the procedures established by Chapter 576 of the 1975 Session Laws."

Session Laws 1977, c. 517, s. 11, provides: "This act becomes effective upon ratification. However, any annexation already adopted on or before July 3, 1977, may be implemented under the provisions of Chapter 576 of the 1975 Session Laws."

§§ 160A-58.7 to 160A-58.9: Reserved for future codification purposes.

Part 5. Property Tax Liability of Newly Annexed Territory.

§ 160A-58.10. Tax of newly annexed territory. — (a) Applicability of Section. — Real and personal property in territory annexed pursuant to this Article is subject to municipal taxes as provided in this section.

(b) Prorated Taxes.—Real and personal property in the newly annexed territory on the January 1 immediately preceding the beginning of the fiscal year in which the annexation becomes effective is subject to prorated municipal taxes levied for that fiscal year as provided in this subsection. The amount of municipal taxes that would have been due on the property had it been within the municipality for the full fiscal year shall be multiplied by the following fraction: the denominator shall be 12 and the numerator shall be the number of full calendar months remaining in the fiscal year, following the day on which the annexation becomes effective. The product of the multiplication is the amount of prorated taxes due. The lien for prorated taxes levied on a parcel of real property shall attach to the parcel taxed on the listing date, as provided in G.S. 105-285, immediately preceding the fiscal year in which the annexation becomes effective. The lien for prorated taxes levied on personal property shall attach on the same date to all real property of the taxpayer in the taxing unit, including the newly annexed territory. If the annexation becomes effective after June 30 and before September 2, the prorated taxes shall be due and payable on the first day of September of the fiscal year for which the taxes are levied. If the annexation becomes effective after September 1 and before the following July 1, the prorated taxes shall be due and payable on the first day of September of the next succeeding fiscal year. The prorated taxes are subject to collection and foreclosure in the same manner as other taxes levied for the fiscal year in which the prorated taxes become due.

(c) Taxes in Subsequent Fiscal Years. — In fiscal years subsequent to the fiscal year in which an annexation becomes effective, real and personal property in the newly annexed territory is subject to municipal taxes on the same basis as is the preexisting territory of the municipality.

(d) Transfer of Tax Records. — For purposes of levying prorated taxes the municipality shall obtain from the county a record of property in the area being annexed that was listed for taxation on the January 1 immediately preceding the

fiscal year for which the prorated taxes are levied. In addition, if the effective date of annexation falls between January 1 and June 30, the municipality shall, for purposes of levying taxes for the fiscal year beginning July 1 following the date of annexation, obtain from the county a record of property in the area being annexed that was listed for taxation as of said January 1. (1977, c. 517, s. 9.)

Editor's Note. — Session Laws 1977, c. 517, s. 10, provides: "If an annexation became or becomes effective after December 31, 1975, and before July 1, 1977, and newly annexed property was or is taxed under the procedures of G.S. 160A-24, G.S. 160A-31(e), G.S. 160A-37(f), G.S. 160A-49(f), or G.S. 160A-58.3, as those sections read immediately before the effective date of Chapter 576 of the 1975 Session Laws, that method of taxation is hereby validated. No person may be held liable under G.S. 105-380 or any other statute because those procedures were followed rather than the procedures established by Chapter 576 of the 1975 Session Laws."

Session Laws 1977, c. 517, s. 11, provides: "This act becomes effective upon ratification. However, any annexation already adopted on or before July 3, 1977, may be implemented under the provisions of Chapter 576 of the 1975 Session Laws."

§ 160A-167. Defense of employees and officers; payment of judgments. — (a) Upon request made by or in behalf of any employee or officer, or former employee or officer, or any member of a volunteer fire department or rescue squad which receives public funds, any city, county or county alcoholic beverage control board may provide for the defense of any civil or criminal action or proceeding brought against him either in his official or in his individual capacity, or both, on account of any act done or omission made, or any act allegedly done or omission allegedly made, in the scope and course of his employment or duty as an employee or officer of the city, county or county alcoholic beverage control board. The defense may be provided by the city, county or county alcoholic beverage control board by its own counsel, or by employing other counsel, or by purchasing insurance which requires that the insurer provide the defense. Providing for a defense pursuant to this section is hereby declared to be for a public purpose, and the expenditure of funds therefor is hereby declared to be a necessary expense. Nothing in this section shall be deemed to require any city, county or county alcoholic beverage control board to provide for the defense of any action or proceeding of any nature.

(b) Any city council or board of county commissioners may appropriate funds for the purpose of paying all or part of a claim made or any civil judgment entered against any of its employees or officers, or former employees or officers, when such claim is made or such judgment is rendered as damages on account of any act done or omission made, or any act allegedly done or omission allegedly made, in the scope and course of his employment or duty as an employee or officer of the city or county; provided, however, that nothing in this section shall authorize any city or county to appropriate funds for the purpose of paying any claim made or civil judgment entered against any of its employees or officers or former employees or officers if the city council or board of county commissioners finds that such employee or officer acted or failed to act because of actual fraud, corruption or actual malice on his part. Any city or county may purchase insurance coverage for payment of claims or judgments pursuant to this section. Nothing in this section shall be deemed to require any city or county to pay any claim or judgment referred to herein, and the purchase of insurance coverage for payment of any such claim or judgment shall not be deemed an assumption of any liability not covered by such insurance contract, and shall not be deemed an assumption of liability for payment of any claim or judgment in excess of the limits of coverage in such insurance contract.

(c) Subsection (b) shall not authorize any city or county to pay all or part of a claim made or civil judgment entered unless (1) notice of the claim or litigation is given to the city council or board of county commissioners prior to the time that the claim is settled or civil judgment is entered, and (2) the city council or board of county commissioners shall have adopted, and made available for public inspection, uniform standards under which claims made or civil judgments entered against employees or officers, or former employees or officers, shall be paid. Editor's Note. — The first 1977 amendment inserted "or any member of a volunteer fire department or rescue squad which receives public funds" near the beginning of the first sentence.

The second 1977 amendment designated the former provisions of this section as subsection (a) and added subsections (b) and (c).

Action with regard to State property under the control of the Department of Transportation shall be taken by the Department of Transportation or its duly authorized delegate. Provided, any county board of education or board of education for any city administrative unit may, upon such terms and conditions as it deems wise, lease to another governmental unit for one dollar ($1.00) per year any real property owned or held by the board which has been determined by the board to be unnecessary or undesirable for public school purposes. (1969, c. 806; 1971, c. 698, s. 1; 1973, c. 507, s. 5; 1975, c. 455; c. 664, s. 9; c. 879, s. 46; 1977, c. 464, s. 34.)

Local Modification. — New Hanover: 1977, c. 97.

Editor's Note. —

The 1977 amendment, effective July 1, 1977, substituted "Department of Transportation" for "Board of Transportation" in three places in subsection (c).

As the rest of the section was not changed by the amendment, only subsection (c) is set out.

ARTICLE 13.

Law Enforcement.

§ 160A-286. Extraterritorial jurisdiction of policemen.

Cited in State v. Mangum, 30 N.C. App. 311, 226 S.E.2d 852 (1976); State v. Williams, 31 N.C. App. 237, 229 S.E.2d 63 (1976).

§ 160A-288. Cooperation between law-enforcement agencies. — (a) In accordance with rules, policies, or guidelines officially adopted by the governing body of the city or county by which he is employed, and subject to any conditions or restrictions included therein, the head of any law-enforcement agency may temporarily provide assistance to another agency in enforcing the laws of North Carolina if so requested in writing by the head of the requesting agency. The assistance may comprise allowing officers of the agency to work temporarily with officers of the requesting agency (including in an undercover capacity) and lending equipment and supplies. While working with the requesting agency under the authority of this section, an officer shall have the same jurisdiction, powers, rights, privileges and immunities as the officers of the requesting agency in addition to those he normally possesses. While on duty with the requesting agency, he shall be subject to the lawful operational commands of his superior officers in the requesting agency, but he shall for personnel and administrative purposes, remain under the control of his own agency, including for purposes of pay. He shall furthermore be entitled to workmen's compensation and the same benefits when acting pursuant to this section to the same extent as though he were functioning within the normal scope of his duties.

(b) As used in this section:

(1) "Head" means any director or chief officer of a law-enforcement agency including the chief of police of a local department, chief of police of

county police department, and the sheriff of a county, or an officer of one of the above named agencies to whom the head of that agency has delegated authority to make or grant requests under this section, but only one officer in the agency shall have this delegated authority at any time.

(2) "Law-enforcement agency" means only a municipal police department, a county police department, or a sheriff's department. All other State and local agencies are exempted from the provisions of this section.

(c) This section in no way reduces the jurisdiction or authority of State law-enforcement officers. (1967, c. 846; 1971, c. 698, s. 1; c. 896, s. 4; 1977, c. 534.)

Editor's Note. —
The 1977 amendment, effective July 1, 1977, rewrote this section.

ARTICLE 15.

Streets, Traffic and Parking.

§ 160A-296. Establishment and control of streets.

The Duty of Keeping the Streets, etc. — This section imposes upon the municipality the positive duty to maintain its streets in a reasonably safe condition for travel. Stancill v. City of Washington, 29 N.C. App. 707, 225 S.E.2d 834 (1976).

But Municipality Is Not Insurer, etc. — While the city is not an insurer of the condition of its streets, this section does subject the defendant city to liability for the negligent failure to maintain its streets in a reasonably safe condition. Stancill v. City of Washington, 29 N.C. App. 707, 225 S.E.2d 834 (1976).

§ 160A-297. Streets under authority of Board of Transportation.

§ 160A-299. Procedure for permanently closing streets and alleys. — (a) When a city proposes to permanently close any street or public alley, the council shall first adopt a resolution declaring its intent to close the street or alley and calling a public hearing on the question. The resolution shall be published once a week for four successive weeks prior to the hearing, a copy thereof shall be sent by registered or certified mail to all owners of property adjoining the street or alley as shown on the county tax records, and a notice of the closing and public hearing shall be prominently posted in at least two places along the street or alley. If the street or alley is under the authority and control of the Department of Transportation, a copy of the resolution shall be mailed to the Department of Transportation. At the hearing, any person may be heard on the question of whether or not the closing would be detrimental to the public interest, or the property rights of any individual. If it appears to the satisfaction of the council after the hearing that closing the street or alley is not contrary to the public interest, and that no individual owning property in the vicinity of the street or alley or in the subdivision in which it is located would thereby be deprived of reasonable means of ingress and egress to his property, the council may adopt an order closing the street or alley. A certified copy of the order (or judgment of the court) shall be filed in the office of the register of deeds of the county in which the street, or any portion thereof, is located.

(b) Any person aggrieved by the closing of any street or alley including the Department of Transportation if the street or alley is under its authority and control, may appeal the council's order to the General Court of Justice within 30 days after its adoption. The court shall hear the matter de novo, and shall have full jurisdiction to try the issues arising and to order the street or alley closed upon proper findings of fact by the jury. No cause of action or defense founded upon the invalidity of any proceedings taken in closing any street or alley may be asserted, nor shall the validity of the order be open to question in any court upon any ground whatever, except in an action or proceeding begun within 30 days after the order is adopted.

(c) Upon the closing of a street or alley in accordance with this section, all right, title, and interest in the right-of-way shall be conclusively presumed to be vested in those persons owning lots or parcels of land adjacent to the street or alley, and the title of such adjoining landowners, for the width of the abutting land owned by them, shall extend to the centerline of the street or alley.

(d) This section shall apply to any street or public alley that has been irrevocably dedicated to the public, without regard to whether it has actually been opened.

(e) No street or alley under the control of the Department of Transportation may be closed unless the Department of Transportation consents thereto. (1971, c. 698, s. 1; 1973, c. 426, s. 47; c. 507, s. 5; 1977, c. 464, s. 34.)

Editor's Note. — The 1977 amendment, effective July 1, 1977, substituted "Department of Transportation" for "Board of Transportation" throughout the section.

ARTICLE 16.

Public Enterprises.

Part 1. General Provisions.

§ 160A-311. Public enterprise defined. — As used in this Article, the term "public enterprise" includes:

(5) Public transportation systems;

(1977, c. 514, s. 2.)

Editor's Note. —

The 1977 amendment rewrote subdivision (5), which formerly read "Bus lines and mass transit systems."

As the rest of the section was not changed by the amendment, only the introductory language and subdivision (5) are set out.

Applied in Dize Awning & Tent Co. v. City of Winston-Salem, 29 N.C. App. 297, 224 S.E.2d 257 (1976).

§ 160A-323. Load management and peak load pricing of electric power. — In addition and supplemental to the powers conferred upon municipalities by the laws of the State and for the purposes of conserving electricity and increasing the economy of operation of municipal electric systems, any municipality owning or operating an electric distribution system, any municipality engaging in a joint project pursuant to Chapter 159B of the General Statutes and any joint agency created pursuant to Chapter 159B of the General Statutes, shall have and may exercise the power and authority:

(1) To investigate, study, develop and place into effect procedures and to investigate, study, develop, purchase, lease, own, operate, maintain, and put into service devices, which will temporarily curtail or cut off

certain types of appliances or equipment for short periods of time whenever an unusual peak demand threatens to overload the electric system or economies would result; and

(2) To fix rates and bill customers by a system of nondiscriminatory peak pricing, with incentive rates for off-peak use of electricity charging more for peak periods than for off-peak periods to reflect the higher cost of providing electric service during periods of peak demand on the electric system. (1977, c. 232.)

§§ 160A-324 to 160A-330: Reserved for future codification purposes.

ARTICLE 19.

Planning and Regulation of Development.

Part 1. General Provisions.

§ 160A-360. Territorial jurisdiction. — (a) All of the powers granted by this Article may be exercised by any city within its corporate limits. In addition, any city may exercise these powers within a defined area extending not more than one mile beyond its limits. With the approval of the board or boards of county commissioners with jurisdiction over the area, a city of 10,000 or more population but less than 25,000 may exercise these powers over an area extending not more than two miles beyond its limits and a city of 25,000 or more population may exercise these powers over an area extending not more than three miles beyond its limits. The boundaries of the city's extraterritorial jurisdiction shall be the same for all powers conferred in this Article. No city may exercise extraterritorially any power conferred by this Article that it is not exercising within its corporate limits. In determining the population of a city for the purposes of this Article, the city council and the board of county commissioners may use the most recent annual estimate of population as certified by the Secretary of the North Carolina Department of Administration.

(f) When a city annexes, or a new city is incorporated in, or a city extends its jurisdiction to include, an area that is currently being regulated by the county, the county regulations and powers of enforcement shall remain in effect until (i) the city has adopted such regulations, or (ii) a period of 60 days has elapsed following the annexation, extension or incorporation, whichever is sooner. During this period the city may hold hearings and take any other measures that may be required in order to adopt its regulations for the area.

(f1) When a city relinquishes jurisdiction over an area that it is regulating under this Article to a county, the city regulations and powers of enforcement shall remain in effect until (i) the county has adopted this regulation or (ii) a period of 60 days has elapsed following the action by which the city relinguished jurisdiction, whichever is sooner. During this period the county may hold hearings and take other measures that may be required in order to adopt its regulations for the area.

(1977, ch. 882; c. 912, ss. 2, 4.)

Local Modification. — Pamlico County: 1977, c. 478, s. 3.

Editor's Note. — The first 1977 amendment added the last sentence of subsection (a).

The second 1977 amendment inserted "extension" in the first sentence of subsection (f) and added subsection (f1).

As the rest of the section was not changed by the amendments, only subsections (a), (f) and (f1) are set out.

Quoted in Taylor v. City of Raleigh, 290 N.C. 608, 227 S.E.2d 576 (1976).

§ 160A-364. Procedure for adopting or amending ordinances under Article. — Before adopting or amending any ordinance authorized by this Article, the city council shall hold a public hearing on it. A notice of the public hearing shall be given once a week for two successive calendar weeks in a newspaper having general circulation in the area. The notice shall be published the first time not less than 15 days nor more than 25 days before the date fixed for the hearing. Such period shall be computed in compliance with G.S. 1-594, and shall not be subject to Rule 6(a) of the Rules of Civil Procedure. (1923, c. 250, s. 4; C. S., s. 2776(u); 1927, c. 90; 1955, c. 1334, s. 1; 1971, c. 698, s. 1; 1973, c. 426, s. 58; 1977, c. 912, s. 5.)

Editor's Note. — The 1977 amendment added the last sentence.

Part 2. Subdivision Regulation.

§ 160A-375. Penalties for transferring lots in unapproved subdivisions. — If a city adopts an ordinance regulating the subdivision of land as authorized herein, any person who, being the owner or agent of the owner of any land located within the jursidiction of that city, thereafter subdivides his land in violation of the ordinance or transfers or sells land by reference to, exhibition of, or any other use of a plat showing a subdivision of the land before the plat has been properly approved under such ordinance and recorded in the office of the appropriate register of deeds, shall be guilty of a misdemeanor. The description by metes and bounds in the instrument of transfer or other document used in the process of selling or transferring land shall not exempt the transaction from this penalty. The city may bring an action for injunction of any illegal subdivision, transfer, conveyance, or sale of land, and the court shall, upon appropriate findings, issue an injunction and order requiring the offending party to comply with the subdivision ordinance. (1955, c. 1334, s. 1; 1971, c. 698, s. 1; 1977, c. 820, s. 2.)

Editor's Note. — The 1977 amendment rewrote the third sentence.

§ 160A-376. Definition. — For the purpose of this Part, "subdivision" means all divisions of a tract or parcel of land into two or more lots, building sites, or other divisions for the purpose of sale or building development (whether immediate or future) and shall include all divisions of land involving the dedication of a new street or a change in existing streets; but the following shall not be included within this definition nor be subject to the regulations authorized by this Part:

(1) The combination or recombination of portions of previously subdivided and recorded lots where the total number of lots is not increased and the resultant lots are equal to or exceed the standards of the municipality as shown in its subdivision regulations;

(1977, c. 912, s. 6.)

Editor's Note. — The 1977 amendment substituted "subdivided and recorded" for "platted" in subdivision (1).

As the other subdivisions were not changed by the amendment, they are not set out.

Part 3. Zoning.

§ 160A-381. Grant of power.

Editor's Note. — For comment entitled "Exclusionary Zoning and a Reluctant Supreme Court" (U.S.), see 13 Wake Forest L. Rev. 107 (1977).

§ 160A-385. Changes. — Zoning regulations and restrictions and zone boundaries may from time to time be amended, supplemented, changed, modified or repealed. In case, however, of a protest against such change, signed by the owners of twenty percent (20%) or more either of the area of the lots included in a proposed change, or of those immediately adjacent thereto either in the rear thereof or on either side thereof, extending 100 feet therefrom, or of those directly opposite thereto extending 100 feet from the street frontage of the opposite lots, an amendment shall not become effective except by favorable vote of three fourths of all the members of the city council. The foregoing provisions concerning protests shall not be applicable to any amendment which initially zones property added to the territorial coverage of the ordinance as a result of annexation or otherwise. (1923, c. 250, s. 5; C. S., s. 2776(v); 1959, c. 434, s. 1; 1965, c. 864, s. 1; 1971, c. 698, s. 1; 1977, c. 912, s. 7.)

Editor's Note. — The 1977 amendment added the third sentence.

§ 160A-387. Planning agency; zoning plan; certification to city council. — In order to exercise the powers conferred by this Part, a city council shall create or designate a planning agency under the provisions of this Article or of a special act of the General Assembly. The planning agency shall prepare a proposed zoning ordinance, including both the full text of such ordinance and maps showing proposed district boundaries. The planning agency may hold public hearings in the course of preparing the ordinance. Upon completion, the planning agency shall certify the ordinance to the city council. The city council shall not hold its required public hearing or take action until it has received a certified ordinance from the planning agency. Following its required public hearing, the city council may refer the ordinance back to the planning agency for any further recommendations that the agency may wish to make prior to final action by the city council in adopting, modifying and adopting, or rejecting the ordinance. (1923, c. 250, s. 6; C. S., s. 2776(w); 1967, c. 1208, s. 2; 1971, c. 698, s. 1; 1973, c. 426, s. 60; 1977, c. 912, s. 8.)

Editor's Note. — The 1977 amendment substituted "proposed zoning ordinance" for "zoning plan" and "such ordinance" for "a zoning ordinance" in the second sentence and substituted "ordinance" for "plan" in the third through sixth sentences.

The municipality must designate a planning agency to develop and certify a zoning ordinance. George v. Town of Edenton, 31 N.C. App. 648, 230 S.E.2d 695 (1976).

The procedure in this section is, however, a prerequisite only to the municipality's initial exercise of zoning power. Thereafter, the planning agency, which was created at the initial stage, remains present to assist the legislative body in further zoning activity. George v. Town of Edenton, 31 N.C. App. 648, 230 S.E.2d 695 (1976).

The planning agency is not a legislative body. In relation to the town council, it functions only in an advisory capacity, and its recommendations are in no way binding on the council. George v. Town of Edenton, 31 N.C. App. 648, 230 S.E.2d 695 (1976).

§ 160A-388. Board of adjustment. — (a) The city council may provide for the appointment and compensation of a board of adjustment consisting of five or

more members, each to be appointed for three years. In appointing the original members of such board, or in the filling of vacancies caused by the expiration of the terms of existing members, the council may appoint certain members for less than three years to the end that thereafter the terms of all members shall not expire at the same time. The council may, in its discretion, appoint and provide compensation for alternate members to serve on the board in the absence of any regular member. Alternate members shall be appointed for the same term, at the same time, and in the same manner as regular members. Each alternate member, while attending any regular or special meeting of the board and serving in the absence of any regular member, shall have and may exercise all the powers and duties of a regular member. A city may designate a planning agency to perform the duties of a board of adjustment in addition to its other duties.

(b) The board of adjustment shall hear and decide appeals from and review any order, requirement, decision, or determination made by an administrative official charged with the enforcement of any ordinance adopted pursuant to this Part. An appeal may be taken by any person aggrieved or by an officer, department, board, or bureau of the city. Appeals shall be taken within times prescribed by the board of adjustment by general rule, by filing with the officer from whom the appeal is taken and with the board of adjustment a notice of appeal, specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the board all the papers constituting the record upon which the action appealed from was taken. An appeal stays all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certifies to the board of adjustment, after notice of appeal has been filed with him, that because of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life or property or that because the violation charged is transitory in nature a stay would seriously interfere with enforcement of the ordinance. In that case proceedings shall not be stayed except by a restraining order, which may be granted by the board of adjustment or by a court of record on application, on notice to the officer from whom the appeal is taken and on due cause shown. The board of adjustment shall fix a reasonable time for the hearing of the appeal, give due notice thereof to the parties, and decide it within a reasonable time. The board of adjustment may reverse or affirm, wholly or partly, or may modify the order, requirement, decision, or determination appealed from, and shall make any order, requirement, decision, or determination that in its opinion ought to be made in the premises. To this end the board shall have all the powers of the officer from whom the appeal is taken.

(e) The concurring vote of four fifths of the members of the board shall be necessary to reverse any order, requirement, decision, or determination of any administrative official charged with the enforcement of an ordinance adopted pursuant to this Article, or to decide in favor of the applicant any matter upon which it is required to pass under any ordinance, or to grant a variance from the provisions of the ordinance. Every decision of the board shall be subject to review by the superior court by proceedings in the nature of certiorari. Any appeal to the superior court shall be taken within 30 days after the decision of the board is filed in such office as the ordinance specifies, or after a written copy thereof is delivered to the appellant by personal service or registered mail, whichever is later.

(1977, c. 912, ss. 9-12.)

Editor's Note.—

The 1977 amendment inserted "or more" in the first sentence of subsection (a), added the last sentence of subsection (a), added "or that because the violation charged is transitory in nature a stay would seriously interfere with enforcement of the ordinance" to the end of the fifth sentence of subsection (b), and added the third sentence of subsection (e).

As the rest of the section was not changed by

the amendment, only subsections (a), (b) and (e) are set out.

Part 3A. Historic Districts.

§ 160A-395. Exercise of powers under this Part by counties as well as cities; designation of historic districts.

Historic District Zoning Is Inapplicable to State Property. — See opinion of Attorney General to The Honorable James C. Green, Speaker, House of Representatives, and The Honorable John T. Henley, President Pro Tempore, Senate, General Assembly of North Carolina, 45 N.C.A.G. 191 (1976).

Editor's Note. — For a symposium on historic preservation which includes a discussion of relevant North Carolina law, see 12 Wake Forest L. Rev. 9 (1976).

Part 3B. Historic Properties Commissions.

§ 160A-399.2. Appointment or designation of historic properties commission.

Editor's Note. — For a symposium on historic preservation which includes a discussion of relevant North Carolina law, see 12 Wake Forest L. Rev. 9 (1976).

Historic District Zoning Is Inapplicable to State Property. — See opinion of Attorney General to The Honorable James C. Green, Speaker, House of Representatives, and The Honorable John T. Henley, President Pro Tempore, Senate, General Assembly of North Carolina, 45 N.C.A.G. 191 (1976).

§ 160A-399.4. Adoption of an ordinance; criteria for designation. — Upon complying with G.S. 160A-399.5, the governing board may adopt and from time to time amend or repeal an ordinance designating one or more historic properties on the following criteria: historical and cultural significance; suitability for preservation or restoration; educational value; cost of acquisition, restoration, maintenance, operation or repair; possibilities for adaptive or alternative use of the property; appraised value; and the administrative and financial responsibility of any person or organization willing to underwrite all or a portion of such costs. In order for any building, structure, site, area or object to be designated in the ordinance as a historic property, it must in addition meet the criteria established for inclusion of the property in the National Register of Historic Places established by the National Historic Preservation Act of 1966, Public Law 89-665, 16 U.S.C.A. section 470a, as amended, as evidenced by appropriate findings in resolutions of the city or county historic properties commission.

The ordinance shall describe each property designated in the ordinance, the name or names of the owner or owners of the property, those elements of the property that are integral to its historical, architectural, and/or archaeological value, including the approximate area of surrounding land, and any other information the governing board deems necessary within the authority of this Part. For each building, structure, site, area or object designated as a historic property, the ordinance shall require that the waiting period set forth in G.S. 160A-399.6 be observed prior to its demolition, material alteration, remodeling or removal. For each designated historic property, the ordinance shall also provide for a suitable sign on the property that the property has been so

designated. If the owner consents, the sign shall be placed upon the property. If the owner objects the sign shall be placed on a nearby public right-of-way. (1971, c. 885, s. 4; 1973, c. 426, s. 62; 1977, c. 869, s. 3.)

Editor's Note. — The 1977 amendment, effective Jan. 1, 1978, rewrote the first sentence of the second paragraph.

§ 160A-399.5. Required procedures. — The commission shall undertake an inventory of all properties of historical, architectural, and archaeological significance in its jurisdiction. This shall serve as a guide for the identification, assessment, and designation of historic properties. No ordinances designating a historic building, structure, site, area or object nor any amendment thereto may be adopted, nor may any property be accepted or acquired by a historic properties commission or the governing board of a city or county, until the following procedural steps have been taken:

(1) The historic properties commission shall make or cause to be made an investigation and report on the historic, architectural, educational or cultural significance of each building, structure, site, area or object proposed for designation or acquisition. In connection with such investigation the historic properties commission shall assess the significance of each property to be designated in relation to others in its jurisdiction. The report of the inventory and assessment shall be submitted to the Department of Cultural Resources for its review.

(2) The Department of Cultural Resources, or another agency or employee of the department designated by the secretary, shall make an analysis of recommendations concerning the report of a historic properties commission within 60 days after the report and written request for the analysis have been mailed to the department by the clerk of the city or county governing board, unless the applicant is required to submit additional information. This requirement of the department's analysis and recommendations is waived with respect to any building, structure, site, area or object of national, State or local historical and/or architectural significance that is currently listed (as certified by the Secretary of Cultural Resources) in the National Register of Historic Places established by the National Historic Preservation Act of 1966, Public Law 89-665, 15 U.S.C.A. section 470a, as amended.

(1977, c. 869, ss. 4-6.)

Editor's Note. — The 1977 amendment, effective Jan. 1, 1978, rewrote the introductory paragraph and subdivisions (1) and (2). As subdivisions (3) through (6) were not changed by the amendment, they are not set out.

Part 5. Building Inspection.

§ 160A-411. Inspection department. — Every city in the State is hereby authorized to create an inspection department, and may appoint one or more inspectors who may be given the titles of building inspector, electrical inspector, plumbing inspector, housing inspector, zoning inspector, heating and air-conditioning inspector, fire prevention inspector, or deputy or assistant inspector, or such other titles as may be generally descriptive of the duties assigned. The department may be headed by a superintendent or director of inspections. Every city shall perform the duties and responsibilities set forth in G.S. 160A-412 either by: (i) creating its own inspection department; (ii) creating a joint inspection department in cooperation with one or more other units of local

government, pursuant to G.S. 160A-413 or Part 1 of Article 20 of this Chapter; (iii) contracting with another unit of local government for the provision of inspection services pursuant to Part 1 of Article 20 of this Chapter; or (iv) arranging for the county in which it is located to perform inspection services within the city's jurisdiction as authorized by G.S. 160A-413 and G.S. 160A-360. Such action shall be taken no later than the applicable date in the schedule below, according to the city's population as published in the 1970 United States Census:

Cities over 75,000 population — July 1, 1979
Cities between 50,001 and 75,000 — July 1, 1981
Cities between 25,001 and 50,000 — July 1, 1983
Cities 25,000 and under — July 1, 1985.

In the event that any city shall fail to provide inspection services by the date specified above or shall cease to provide such services at any time thereafter, the Commissioner of Insurance shall arrange for the provision of such services, either through personnel employed by his department or through an arrangement with other units of government. In either event, the Commissioner shall have and may exercise within the city's jurisdiction all powers made available to the city council with respect to building inspection under Part 5 of Article 19, and Part 1 of Article 20 of this Chapter. Whenever the Commissioner has intervened in this manner, the city may assume provision of inspection services only after giving the Commissioner two years' written notice of its intention to do so; provided, however, that the Commissioner may waive this requirement or permit assumption at an earlier date if he finds that such earlier assumption will not unduly interfere with arrangements he has made for the provision of those services. (1969, c. 1065, s. 1; 1971, c. 698, s. 1; 1977, c. 531, s. 5.)

Editor's Note. — The 1977 amendment substituted "may" for "shall" near the beginning of the first sentence of the first paragraph and added the second and third paragraphs.

Session Laws 1977, c. 551, s. 7, provides: "The provisions of this act shall not be applicable to municipalities of less than 25,000 population or to counties of less than 75,000 population according to the 1970 U.S. Census, and shall not be applicable to any officials or employees of any such municipality or county unless the Legislative Research Commission makes affirmative findings of fact that as of July 1, 1984, there exist within the State adequate in-service and pre-service training opportunities to permit employees or prospective employees of such municipalities and counties to secure at various convenient places throughout the State or by correspondence courses the training necessary to retain limited certificates or to secure standard certificates, and to provide an adequate pool of qualified personnel to enforce applicable codes in such municipalities or counties. Any city council may contract with any other governmental agency, or with any public or private association, corporation or organization in undertaking senior citizens programs, and may appropriate funds to any such governmental agency, or to any such public or private association, corporation or organization for the purpose of carrying out such programs. In the event funds appropriated for the purposes of this section are turned over to any agency or organization other than the city for expenditure, no such expenditure shall be made until the city has approved it, and all such expenditures shall be accounted for by the agency or organization at the end of the fiscal year for which they were appropriated. For purposes of this section, the words "senior citizens" shall mean citizens of a city who are at least 60 years of age. (1977, c. 187, s. 1; c. 647, ss. 1, 2.)

ARTICLE 23.

Municipal Service Districts.

§ 160A-536. Purposes for which districts may be established. — The city council of any city may define any number of service districts in order to finance, provide, or maintain for the districts one or more of the following services, facilities, or functions in addition to or to a greater extent than those financed, provided or maintained for the entire city:

(1) Beach erosion control and flood and hurricane protection works;
(2) Downtown revitalization projects;
(3) Drainage projects; and
(4) Off-street parking facilities.

As used in this section "downtown revitalization projects" include by way of illustration but not limitation improvements to water mains, sanitary sewer mains, storm sewer mains, electric power distribution lines, gas mains, street lighting, streets and sidewalks, including rights-of-way and easements therefor, the construction of pedestrian malls, bicycle paths, overhead pedestrian walkways, sidewalk canopies, and parking facilities both on-street and off-street, and other improvements intended to relieve traffic congestion in the central city, improve pedestrian and vehicular access thereto, reduce the incidence of crime therein, and generally to further the public health, safety, welfare, and convenience by promoting the economic health of the central city or downtown area. In addition, a downtown revitalization project may, in order to revitalize a downtown area and further the public health, safety, welfare, and convenience, include the provision of city services or functions in addition to or to a greater extent than those provided or maintained for the entire city. A downtown revitalization project may also include promotion and developmental activities (such as sponsoring festivals and markets in the downtown area, promoting business investment in the downtown area, helping to coordinate public and private actions in the downtown area, and developing and issuing publications on the downtown area) designed to improve the economic well-being of the downtown area and further the public health, safety, welfare, and convenience. Exercise of the authority granted by this Article to undertake downtown revitalization projects financed by a municipal service district shall not prejudice the city's authority to undertake urban renewal projects in the same area.

A city may provide services, facilities, functions, or promotional and developmental activities in a service district with its own forces, through a contract with another governmental agency, through a contract with a private agency, or by any combination thereof. Any contracts entered into pursuant to this paragraph shall specify the purposes for which city moneys are to be used and shall require an appropriate accounting for those moneys at the end of each fiscal year or other appropriate period. (1973, c. 655, s. 1; 1977, c. 775, ss. 1, 2.)

Editor's Note. — The 1977 amendment added the present second and third sentences of the second paragraph and added the third paragraph.

Session Laws 1977, c. 775, s. 5, provides: "This act shall become effective upon ratification, but shall not apply to any district established prior to January 1, 1975."

§ 160A-538.1. Reduction of service districts. — (a) Upon finding that there is no longer a need to include within a particular service district any certain tract or parcel of land, the city council may by resolution redefine a service district by removing therefrom any tract or parcel of land which it has determined need no longer be included in said district. The city council shall hold a public hearing before adopting a resolution removing any tract or parcel of land from a district.

Notice of the hearing shall state the date, hour and place of the hearing, and its subject, and shall be published at least once not less than one week before the date of the hearing.

(b) The removal of any tract or parcel of land from any service district shall take effect at the end of a fiscal year following passage of the resolution, as determined by the city council. (1977, c. 775, s. 3.)

Editor's Note. — Session Laws 1977, c. 775, s. 5, provides: "This act shall become effective upon ratification, but shall not apply to any district established prior to January 1, 1975."

§ 160A-544. Exclusion of personal property of public service corporations. — There shall be excluded from any service district and the provisions of this Article shall not apply to the personal property of any public service corporation as defined in G.S. 160A-243(c); provided that this section shall not apply to any service district in existence on January 1, 1977. (1977, c. 775, s. 4.)

Editor's Note. — Session Laws 1977, c. 775, s. 5, provides: "This act shall become effective upon ratification, but shall not apply to any district established prior to January 1, 1975."

§ 161-16. Liability for failure to register.

Local Modification. — Caswell: 1977, c. 391.

§ 161-22.2. Parcel identifier number indexes. — (a) In lieu of the alphabetical indexes required by G.S. 161-21, 161-22 and 161-22.1, the register of deeds of any county in which unique parcel identifier numbers have been assigned to all parcels of real property may install an index by land parcel identifier numbers. For each instrument filed of record, the entry in a land parcel identifier number index must contain the following information:

(1) The parcel identifier number of the parcel or parcels affected;
(2) A brief description of the parcel or parcels, including subdivision block and lot number, if any;
(3) A description of the type of instrument recorded and the date the instrument was filed;
(4) The names of the parties to the instrument to the same extent as required by G.S. 161-22 and the legal status of the parties indexed;
(5) The book and page number, or film reel and frame number, or other file number where the instrument is recorded.

(b) Every instrument affecting real property filed for recording in the office of such register of deeds shall be indexed under the parcel identifier number of the land parcel or parcels affected.

(c) The parcel identifier number index may be maintained in index books, on film, or in computers or other automated data-processing machines. If the parcel identifier number index is maintained in a computer or other automated data-processing machine, the register of deeds shall, at least once each month, obtain from the computer or other data-processing machine a printed copy on paper or film of all index entries made since the previous printed copy was obtained. The printed copies shall be retained as security copies and shall not be altered or destroyed.

(d) Before a register of deeds may install a parcel identifier number index in lieu of the alphabetical indexes required by G.S. 161-22, the proposed index must be approved by the Secretary of the North Carolina Department of Administration. Before approving a parcel identifier number index, the Secretary must find that:

(1) The requirements of this section, G.S. 161-22, and all other applicable indexing requirements of the North Carolina General Statutes and applicable judicial decisions will be met by the index;
(2) Measures for the protection of the indexed information are such that computer or other machine failure will not cause an irremediable loss of the information;
(3) Printed forms and index sheets used in the index permit a display of all information required by law and are otherwise adequate;
(4) Any computer or other data-processing machine used and the program for the use of such machines are adequate to perform the tasks assigned to them;

(5) Access to the information contained in the index can be obtained by the use of both a parcel identifier number and the name of any party to an instrument filed of record;

(6) Any parcel identifier number either reflects the State plane coordinates of some point in the parcel, or is keyed to a map of the parcel that shows the location of the parcel within the county;

(7) The parcel identifier numbering system is designed so that no parcel will be assigned the same number as any other parcel within the county;

(8) The parcel identifier numbering system shows for parcels of land created by subdivision, the number of the parcel of land subdivided in addition to the numbers of the newly-created parcels;

(9) The parcel identifier numbering system shows for parcels of land created by the combining of separate parcels, the numbers of the land parcels that were combined in addition to the number of the newly-created parcel;

(10) The parcel identifier numbering system is capable of identifying condominium units and other separate legal interests that may be created in a single parcel of land;

(11) The parcel identifier numbering system will meet the needs of the users as well as or better than the alphabetical indexes required by G.S. 161-21, 161-22 and 161-22.1.

The Secretary may require a register of deeds seeking approval of a parcel identifier number index to furnish him with any information concerning the index that is pertinent to the findings required for approval.

(e) (1) An approved parcel identifier number index shall become effective as the official real property index of the county as of the first day of July following approval by the Secretary of Administration.

(2) In any county in which a parcel identifier index is the official index, the register of deeds shall post notices in the alphabetical index books and at other appropriate places in his office stating that the parcel identifier number index is the official index and the date when the change became effective. (1977, c. 589.)

§ 161-29.1. Validating acts of assistant and deputy registers of deeds performed before they were sworn into office. — All acts and duties heretofore performed by any and all assistant or deputy registers of deeds, who were appointed but who were not sworn into office or who were sworn into office after their duties commenced, shall be and the same are hereby validated, ratified, and confirmed to all intents and purposes as if performed by assistant or deputy registers of deeds who were theretofore formally appointed and sworn into office, as required by G.S. 161-6, or as required by any other provision of law. ARTICLE 5.

Metropolitan Sewerage Districts.

§ 162A-66. Procedure for creation; resolutions and petitions for creation; notice to and action by the Environmental Management Commission; notice and public hearing; resolutions creating districts; actions to set aside proceedings. — Any two or more political subdivisions in one or more counties, or any political subdivision or subdivisions and any unincorporated area or areas located within one or more counties, which political subdivisions or areas need not be contiguous, may petition for the creation of a metropolitan sewerage district under the provisions of this Article by filing with the board or boards of commissioners of the county or counties within which the proposed district will lie:

(1) A resolution of the governing body of each such political subdivision stating the necessity for the creation of a metropolitan sewerage district under the provisions of this Article in order to preserve and

promote the public health and welfare within the area of the proposed district, and requesting the creation of a metropolitan sewerage district having the boundaries set forth in said resolution, and

(2) If any unincorporated area is to be included in such district, a petition, signed by not less than fifty-one per centum (51%) of the qualified voters resident within such area, defining the boundaries of such area, stating the necessity for the creation of a metropolitan sewerage district under the provisions of this Article in order to preserve and promote the public health and welfare within the proposed district, and requesting the creation of a metropolitan sewerage district having the boundaries set forth in such petition for such district.

Upon the receipt of such resolutions and petitions requesting the creation of a metropolitan sewerage district, the board or boards of commissioners, through the chairman thereof, shall notify the North Carolina Environmental Management Commission of the receipt of such resolutions and petitions, and shall request that a representative of the Environmental Management Commission hold a joint public hearing with the board or boards of commissioners concerning the creation of the proposed metropolitan sewerage district. The chairman of the Environmental Management Commission and the chairman or chairmen of the board or boards of commissioners shall name a time and place within the proposed district at which the public hearing shall be held; provided, however, that where a proposed district lies within more than one county, the public hearing shall be held in the county within which the greater portion of the proposed district lies. The chairman or chairmen of the board or boards of commissioners shall give prior notice of such hearing by posting a notice at least 30 days prior to the hearing at the courthouse of the county or counties within which the district will lie and also by publication at least once a week for four successive weeks in a newspaper having general circulation in the proposed district, the first publication to be at least 30 days prior to such hearing. In the event all matters pertaining to the creation of such metropolitan sewerage district cannot be concluded at such hearing, such hearing may be continued to a time and place within the proposed district determined by the board or boards of commissioners with the concurrence of the representative of the Environmental Management Commission.

If, after such hearing, the Environmental Management Commission and the board or boards of commissioners shall deem it advisable to comply with the request of such resolutions and petitions, and determine that the creation of a metropolitan sewerage district would preserve and promote the public health and welfare in the area or areas described in such resolutions and petitions, the Environmental Management Commission shall adopt a resolution to that effect, defining the boundaries of such district and declaring the territory within such boundaries to be a metropolitan sewerage district under the name and style of ". . . . . Metropolitan Sewerage District of . . . . . [County] [Counties]"; provided, that the Environmental Management Commission may make minor deviations in the boundaries from those prescribed in the resolutions and petitions upon determination by the Environmental Management Commission that such deviations are advisable in the interest of the public health, and provided no such district shall include any political subdivision which has not petitioned for inclusion as provided in this Article.

The Environmental Management Commission shall cause copies of the resolution creating the metropolitan sewerage district to be sent to the board or boards of commissioners and to the governing body of each political subdivision included in the district. The board or boards of commissioners shall cause a copy of such resolution of the Environmental Management Commission to be published in a newspaper circulating within the district once in each of two successive weeks, and a notice substantially in the following form shall be published with such resolution:

The foregoing resolution was passed by the North Carolina Environmental Management Commission on the . . . . . day of . . . . . ., 19. . . ., and was first published on the . . . . . day of . . . . . ., 19. . . .

Any action or proceeding questioning the validity of said resolution or the creation of the metropolitan sewerage district therein described must be commenced within 30 days after the first publication of said resolution.

. . . . . .

Clerk, Board of Commissioners for

. . . . . County.

Any action or proceeding in any court to set aside a resolution creating a metropolitan sewerage district, or to obtain any other relief upon the ground that such resolution or any proceeding or action taken with respect to the creation of such district is invalid, must be commenced within 30 days after the first publication of the resolution and said notice. After the expiration of such period of limitation, no right of action or defense founded upon the invalidity of the resolution or the creation of the metropolitan sewerage district therein described shall be asserted, nor shall the validity of the resolution or of the creation of such metropolitan sewerage district be open to question in any court upon any ground whatever, except in an action or proceeding commenced within such period. (1961, c. 795, s. 3; 1973, c. 512, s. 1; c. 822, s. 4; c. 1262, s. 23; 1977, c. 764, s. 1.)

Editor's Note. — The 1977 amendment substituted "qualified voters" for "freeholders" in subdivision (2).

§ 162A-68. Procedure for inclusion of additional political subdivision or unincorporated area; notice and hearing; elections; actions to set aside proceedings. — If, at any time subsequent to the creation of a district, there shall be filed with the district board a resolution of the governing body of a political subdivision, or a petition, signed by not less than fifty-one per centum (51%) of the qualified voters resident within an unincorporated area, requesting inclusion in the district of such political subdivision or unincorporated area, and if the district board shall favor the inclusion in the district of such political subdivision or unincorporated area, the district board shall notify the board or boards of commissioners of the county or counties within which the district lies and shall file with the board or boards of commissioners and with the Environmental Management Commission a report setting forth the plans of the district for extending sewerage service to the political subdivision or unincorporated area. The report shall include:

(1) A map or maps of the district and adjacent territory showing the present and proposed boundaries of the district; the existing major sewer interceptors and outfalls; and the proposed extension of such interceptors and outfalls.

(2) A statement setting forth the plans of the district for extending sewerage services to the territory proposed to be included, which plans shall:

a. Provide for extending sewerage service to the territory included on substantially the same basis and in the same manner as such services are provided within the rest of the district prior to inclusion of the new territory.

b. Set forth a proposed time schedule for extending sewerage service to the territory proposed to be included.

c. Set forth the estimated cost of extending sewerage service to the territory proposed to be included; the method by which the district proposes to finance the extension; the outstanding existing

indebtedness of the district, if any; and the valuation of assessable property within the district and within the territory proposed to be included.

d. Contain a declaration of intent of the district board to conform with the plans set forth in the report in extending sewerage services to the territory proposed to be included; and a certification by the chairman of the district board to the effect that the matters and things set forth in the report are true to his knowledge or belief.

The board or boards of commissioners, through the chairmen thereof, shall thereupon request that a representative of the Environmental Management Commission hold a joint public meeting with the board or boards of commissioners concerning the inclusion of such political subdivision or unincorporated area in the district. The chairman of the Environmental Management Commission and the chairman or chairmen of the board or boards of commissioners shall name a time and place within the district at which the public hearing shall be held. The chairman or chairmen of the board or boards of commissioners shall give prior notice of such hearing by posting a notice at the courthouse door of the county or counties at least 30 days prior to the hearing and also by publication at least once a week for four successive weeks in a newspaper having general circulation in the district and in any such political subdivision or unincorporated area, the first publication to be at least 30 days prior to such hearing. In the event all matters pertaining to the inclusion of such political subdivision or unincorporated area cannot be included at such hearing, such hearing may be continued to a time and place within the district determined by the board or boards of commissioners with the concurrence of the representative of the Environmental Management Commission.

If, after such hearing, the Environmental Management Commission and the board or boards of commissioners shall determine that the inclusion of such political subdivision or unincorporated area in the district will preserve and promote the public health and welfare, the Environmental Management Commission shall adopt a resolution to that effect, defining the boundaries of the district, including such political subdivision or unincorporated area which has filed a resolution or petition as provided for in this section, and declaring such political subdivision or unincorporated area to be included in the district.

If, at or prior to such public hearing, there shall be filed with the district board a petition, signed by not less than ten per centum (10%) of the qualified voters residing in the district, requesting an election to be held therein on the question of including any such political subdivision or unincorporated area, the district board shall certify a copy of such petition to the board of boards of commissioners, and the board or boards of commissioners shall request the county board or boards of elections to submit such question to the qualified voters within the district in accordance with the applicable provisions of Chapter 163 of the General Statutes; provided, that the election shall not be held unless the Environmental Management Commission has adopted a resolution approving the inclusion of the political subdivision or unincorporated area in the district.

Notice of such election, which shall contain a statement of the boundaries of the territory proposed to be included in the district and the boundaries of the district after inclusion, shall be given by publication once a week for three successive weeks in a newspaper or newspapers having general circulation within the district, the first publication to be at least 30 days prior to the election.

Notice of the resolution of the Environmental Management Commission, or in the event that an election pursuant to this section is held, notice of the results of the election, approving the inclusion of the political subdivision or unincorporated area within the district shall be published as provided in G.S. 162A-66.

Any action or proceeding in any court to set aside a resolution of the Environmental Management Commission or an election approving the inclusion

of a political subdivision or unincorporated area within a district or to obtain any other relief upon the ground that such resolution or election or any proceeding or action taken with respect to the inclusion of the political subdivision or unincorporated area within the district is invalid, must be commenced within 30 days after the first publication of the notice. After the expiration of such period of limitation, no right of action or defense founded upon the invalidity of the resolution or the election or the inclusion of the political subdivision or unincorporated area in the district shall be asserted, nor shall the validity of the resolution or the election or the inclusion of the political subdivision or unincorporated area be open to question in any court upon any ground whatever, except in an action or proceeding commenced within such period.

Any political subdivision or unincorporated area included within an existing district by resolution of the Environmental Management Commission or by such resolution and election shall be subject to all debts of the district.

The annexation by a city or town within a metropolitan sewerage district of an area lying outside such district shall not be construed as the inclusion within the district of an additional political subdivision or unincorporated area within the meaning of the provisions of this section; but any such areas so annexed shall become a part of the district and shall be subject to all debts thereof.

Immediately following the inclusion of any additional political subdivision or unincorporated area within an existing district, members representing such additional political subdivision or unincorporated area shall be appointed to the district board in the manner provided in G.S. 162A-67. The terms of office of the members first appointed to represent such additional subdivision or area may be varied for a period not to exceed six months from the terms provided for in G.S. 162A-67, so that the appointment of successors to such members may more nearly coincide with the appointment of successors to members of the existing board; and all successor members shall be appointed for the terms provided for in G.S. 162A-67. (1961, c. 795, s. 5; 1973, c. 512, s. 3; c. 822, s. 4; c. 1262, s. 23; 1977, c. 764, s. 2.)

Editor's Note. — The 1977 amendment substituted "qualified voters" for "freeholders" near the middle of the first sentence of the first paragraph and near the beginning of the fourth paragraph.

§ 162A-74. Rights-of-way and easements in streets and highways. — A right-of-way or easement in, along, or across any State highway system, road, or street, and along or across any city or town street within a district is hereby granted to a district in case such right-of-way is found by the district board to be necessary or convenient for carrying out any of the work of the district. Any work done in, along, or across any State highway system, road, street, or property shall be done in accordance with the rules and regulations and any reasonable requirements of the Board of Transportation, and any work done in, along, or across any municipal street or property shall be done in accordance with any reasonable requirements of the municipal governing body. (1961, c. 795, s. 24; 1973, c. 507, s. 5; c. 822, s. 4; 1977, c. 464, s. 34.)

Editor's Note. —
The 1977 amendment, effective July 1, 1977, substituted "Department of Transportation" for "Board of Transportation" in the second sentence.

Petition for formation of district; hearing. — (a) Upon receipt of a petition signed by at least fifty-one percent (51%) of the qualified voters of a proposed county water and sewer district, the board of commissioners of any county may create such a district. The petition shall set forth:

After the expiration of this period of limitation, no right of action or defense founded upon the invalidity of the resolution, the creation of the district, or the inclusion of any territory in the district may be asserted, nor may the validity of the resolution, the creation of the district, or the inclusion of the territory be open to question in any court upon any ground whatever, except in an action or proceeding commenced within that period. As the rest of the section was not changed by the amendment, only subsection (d) is set out.

§ 163-72. Registration procedure; oath.

Cited in Hooks v. Eure, 423 F. Supp. 55 (W.D.N.C. 1976).

§ 163-72.1. Cancellation of prior registration. — (a) After having accepted the application for registration, and after advising the applicant that he is still bound by the oath first administered pursuant to G.S. 163-72, the registrar shall ask the applicant whether he is, at that time, also registered to vote in any other county, municipality or state. If the applicant answers in the affirmative, the registrar shall obtain from him a signed authorization (in duplicate) to cancel all prior registrations. The authorization shall set forth the name under which the person previously was registered, his prior address (including state, county, street address, and precinct, if known), and the name under which he is applying to register. It shall be addressed to the appropriate election officials in the other county, municipality or state and shall request them to cancel his voting

registration in that county or state. It also shall direct the county board of elections to which he is currently applying for registration to transmit a signed copy of the authorization to the appropriate election officials in the other county, municipality or state.

(1977, c. 265, s. 3.)

Editor's Note. — The 1977 amendment substituted "(in duplicate)" for "(in triplicate)" in the second sentence of subsection (a). As the rest of the section was not changed by the amendment, only subsection (a) is set out.

§ 163-74. Record of political party affiliation or unaffiliated status; changing recorded affiliation; correcting erroneous record. — (a) Every person who registers to vote shall, at the time application is made, (i) state his desired political party affiliation or (ii) state that he wishes to be recorded as an "unaffiliated" voter. The person before whom the voter is registering shall record the affiliation requested by the voter. Such recorded party affiliation, or unaffiliated designation, shall thereafter be permanent unless, or until, the registrant changes it under the provisions of subsection (b) of this section.

If the applicant (registrant) refuses to declare his party affiliation upon request, or if the applicant refuses further to state that he desires to be recorded as unaffiliated, then the registrar or other officer shall inform the applicant that although he may register, his record shall be designated "unaffiliated" and he shall not be eligible to vote in any political party primary but may vote in any general election.

(b) Change of Party Affiliation or Unaffiliated Status — No registered elector shall be permitted to change the record of his party affiliation or unaffiliated status for a primary, second primary or special or general election after the close of the registration books immediately prior to any such election. Any registrant who desires to have the record of his party affiliation or unaffiliated status changed on the registration book shall, not less than 21 days (not including Saturdays and Sundays) before the election go to the chairman or the supervisor of elections of the county board of elections or to other registration officials specified in G.S. 163-80 and request that the change be made. Before being permitted to have the change made, the chairman, supervisor of elections or other registration official shall require the registrant to take the following oath, and it shall be the duty of the elections officer to administer it:

(1) If the voter desires to change from one political party to another, or from unaffiliated to a political party:

I, ..., do solemnly swear (or affirm) that I desire in good faith to change my party affiliation from the . . . . . Party (or from unaffiliated status) to the . . . . . Party, and that such change of affiliation be made on the registration records in the manner provided by law, so help me, God.

(2) If the voter desires to change his affiliation with any political party to unaffiliated status:

I, ..., do solemnly swear (or affirm) that I desire in good faith to change my party affiliation with the . . . . . Party to unaffiliated and that such change of affiliation be made on the registration records in the manner provided by law, so help me, God.

Upon receipt of the required oath, the county board of elections shall immediately change the record of the registrant's party affiliation, or unaffiliated status, to conform to that stated in the oath. Thereafter the voter shall be considered registered and qualified to vote in accordance with the effected change.

(c) Correction of Erroneous Record of Party Affiliation — If at any time the chairman or supervisor of elections of the county board of elections shall be

satisfied that an error has been made in designating the party affiliation of any voter on the registration records, then the chairman or supervisor of elections of the county board of elections shall make the necessary correction after first administering to the voter the following oath:

I, ..., do solemnly swear (or affirm) that I desire in good faith to have the erroneous entry of my affiliation with the . . . . . Party, or my unaffiliated status on the registration records corrected in the manner provided by law to show that I affiliate with the . . . . . Party (or that I elect to be recorded as an unaffiliated voter), so help me, God. (1939, c. 263, s. 6; 1949, c. 916, ss. 4, 8; 1953, c. 843; 1955, c. 800; c. 871, s. 3; 1957, c. 784, s. 5; 1963, c. 303, s. 1; 1967, c. 775, s. 1; 1973, c. 793, ss. 30, 31; c. 1223, s. 5; 1975, c. 234, s. 2; 1977, c. 130, s. 1; c. 626, s. 1.)

Editor's Note. —

The first 1977 amendment rewrote this section.

The second 1977 amendment substituted "supervisor of elections" for "executive secretary" in the second and third sentences of subsection (b) and in two places in the introductory paragraph of subsection (c).

Session Laws 1977, c. 130, s. 2, provides: "All persons who are recorded on the registration books as "Independent" or "No Party" designees, as of the date of ratification of this act, shall be presumed to be recorded as "unaffiliated" unless and until such persons request, in the manner provided by law, that their registration record be changed. The State Board of Elections shall issue appropriate directives to each county board of elections to effect compliance with this section."

Cited in Hooks v. Eure, 423 F. Supp. 55 (W.D.N.C. 1976).

§ 163-80. Officers authorized to register voters. — (a) Only the following election officials shall be authorized to register voters:

(6) Local public library employees designated by the governing board of such public library to be appointed by the county board of elections as special library registration deputies. Persons appointed under this subsection shall be given the oath contained in G.S. 163-41(b), and shall be authorized to accept applications to register on those days and during those hours said special deputies are on duty with their respective libraries.

(1977, c. 626, s. 1.)

Editor's Note. — The 1977 amendment, in subsection (a), substituted "supervisor of elections" for "executive secretary" in subdivisions (2) and (5) and "deputy supervisors of elections" for "deputy executive secretaries" in subdivision (5).

As the rest of the section was not changed by the amendment, only subsection (a) is set out.

SUBCHAPTER IV. POLITICAL PARTIES.

ARTICLE 9.

Voters affiliated with expired political party. — The State Board of Elections shall be authorized to promulgate appropriate procedures to order the county boards of elections to change the registration affiliation of all voters who are recorded on the voter registration books as being affiliated with a political party which has lost its legal status as provided in G.S. 163-97. The State Board of Elections shall not implement the authority contained in this section earlier than 90 days following the certification of the election in which the political party failed to continue its legal status as provided in G.S. 163-97. All voters affiliated with such expired political party shall be changed to "unaffiliated" designation by the State Board's order and all such registrants shall be entitled to declare a political party affiliation as provided in G.S. 163-74(b). (1975, c. 789; 1977, c. 408, s. 1.)

Editor's Note. — The 1977 amendment substituted " 'unaffiliated' " for " 'no party' " and "as provided in G.S. 163-74(b)" for "on primary election day, consistent with the provisions contained in G.S. 163-74(a)" in the third sentence.

(1977, c. 265, ss. 4, 5; c. 408, s. 2; c. 661, ss. 2, 3.)

Editor's Note. —
The first 1977 amendment deleted the former fourth paragraph of subsection (b), which related to the eligibility of unregistered persons to file as candidates in a party primary, and deleted "All township offices" from the end of subsection (c).

The second 1977 amendment, in the second paragraph of subsection (b), substituted "'unaffiliated'" for "an independent" and inserted "party" preceding "primary election," and deleted the former third paragraph, which read "A person registered with no record of party affiliation shall be ineligible to file as a candidate in a primary election."

The third 1977 amendment, in subsection (c), substituted "January" for "April," "first Monday in February" for "last Friday in May" and "party primary nomination" for "party primary nominations" in the introductory language of both paragraphs.

As the rest of the section was not changed by the amendments, only subsections (b) and (c) are set out.

§ 163-107. Filing fees required of candidates in primary; refunds.

(b) Refund of Fees. — If any person who has filed a notice of candidacy and paid the filing fee prescribed in subsection (a) of this section, withdraws his notice of candidacy within the period prescribed in G.S. 163-106(e), he shall be entitled to have the fee he paid refunded. If the fee was paid to the State Board of Elections, the chairman of that Board shall certify to the Auditor that the refund should be made, and the Auditor shall give his warrant upon the Treasurer of the State who shall make the refund payment. (1915, c. 101, s. 4; 1917, c. 218; 1919, cc. 50, 139; C.S., ss. 6023, 6024; 1927, c. 260, s. 20; 1933, c. 165, s. 12: 1939, c. 264, s. 2; 1959, c. 1203, s. 5; 1967, c. 775, s. 1; 1969, c. 44, s. 84: 1973, c. 793, s. 37; 1977, c. 265, s. 6.)

Editor's Note. —
The 1977 amendment, in the second paragraph of subsection (b), substituted "file under the provisons of G.S. 163-106(e)" for "file under the provisions of G.S. 163-106(c)" and "the date on which the right to file for that office expires under the provisions of G.S. 163-106(e)" for "12:00 noon, on Friday preceding the sixth Saturday before the primary" and deleted "for refund upon withdrawal of candidacy" following "prescribed in this subsection."

As subsection (a) was not changed by the amendment, only subsection (b) is set out.

which is not set forth in G.S. 163-106(c) or (d), he shall file a written petition with the appropriate board of elections no later than 12:00 noon on Monday preceding the filing deadline before the primary. The petition shall be signed by ten percent (10%) of the registered voters of the election area in which the office will be voted for, who are affiliated with the same political party in whose primary the candidate desires to run, or in the alternative, the petition shall be signed by no less than 200 registered voters regardless of said voter's political party affiliation, whichever requirement is greater. The board of elections shall verify the names on the petition, and if the petition is found to be sufficient, the candidate's name shall be printed on the appropriate primary ballot. Petitions for candidates for member of the U.S. House of Representatives, District Attorney, judge of the District Court and judge of the Superior Court, or members of the State House of Representatives from multi-county districts or members of the State Senate from multi-county districts must be presented to the county board of elections for verification at least 15 days before the petition is due to be filed with the State Board of Elections, and such petition must be filed with the State Board of Elections no later than 12:00 noon on Monday preceding the filing deadline. (1977, c. 386.)

Editor's Note. — The 1977 amendment added, at the end of the second sentence of subsection (c), the language beginning "or in the alternative."

As the rest of the section was not changed by the amendment, only subsection (c) is set out.

In a primary election, if there shall be 10 or more candidates for nomination to any one office, the county board of elections in its discretion may prepare a separate ballot for said office.

Three days before the primary election, the chairman of the county board of elections shall distribute official State, district, and county ballots to the registrar of each precinct in his county, and the registrar shall give him a receipt for the ballots received. On the day of the primary it shall be the registrar's duty to have all the ballots delivered to him available for use at the precinct voting place.

(1977, c. 265, s. 9.)

a. Required Meeting of County Board of Elections. — During the period commencing 60 days before an election, and until 30 days before the election, in which absentee ballots are authorized, the county board of elections shall hold one or more public meetings each week on a day and at an hour to be determined by the board for the purpose of acting on applications for absentee ballots. Each member of the board shall be notified in writing of the day and hour such meetings shall be conducted. During the period opening 30 days before an election in which absentee ballots are authorized and closing at 5:00 P.M. on the Wednesday before the election, the county board of elections shall hold public meetings at 10:00 A.M. on Tuesday and Friday of each week, and it shall also hold public meetings at 10:00 A.M. on the eighth, fifth, third and first days immediately preceding election day. These meetings shall be held at the county courthouse or at the elections board's office at the hour fixed by law. At these meetings the county board of elections shall pass upon applications for absentee ballots.

Upon a majority vote, the county board of elections may hold the required public meetings at an hour other than 10:00 A.M., and it may hold more than one session on each Tuesday and Friday it is required to meet and may set the hours of any additional sessions. If the board desires to exercise either or both of the options granted by the preceding sentence, it shall do so prior to the date on which it is required to hold its first public meeting under the provisions of this subdivision and in time to give the notice required by the fourth paragraph of this lettered portion of this subdivision; thereafter, no change shall be made in the hours fixed for the board's public meetings on absentee ballot applications.

It shall not be necessary for the chairman of the county board of elections to give notice to other board members of weekly meetings of the board which are fixed as to time and place by this section.

If the county board of elections changes the time of holding its Tuesday and Friday meetings or provides for additional meetings on Tuesdays and Fridays in accordance with the terms of this subdivision, notice of the change in hour and notice of the schedule of additional meetings, if any, shall be published in a newspaper circulated in the county, and a notice thereof shall be posted at the courthouse door of the county, at least one week prior to the time fixed for holding the first meeting under this subdivision.

The county board of elections shall not be required to hold any of the meetings prescribed by this subdivision unless, since its last

preceding meeting, it actually has received one or more applications for absentee ballots which it has not passed upon. When no meeting is to be held for this reason, the chairman shall notify each of the other members of the county board of elections that the scheduled public meeting will not be held and state the reasons for is cancellation.

At each such meeting any registered voter of the county shall be heard and allowed to present evidence in opposition to, or in favor of, the issuance of absentee ballots to any voter making application for them.

The county board of elections may consider the registration records as evidence of the voter's signature, if available, and as any other evidence that may be necessary to pass upon such an application, including the party affiliation of a voter seeking to vote in a primary.

If the board finds that the applicant is a qualified voter of the county, that he is registered in the precinct stated in his application, that the assertions in his application are true, and that his application is in proper form, it shall approve his application for absentee ballots.

c. Record of Board's Determination; Decision Final. — At the time the county board of elections makes its decision on an application for absentee ballots, the chairman shall enter in the appropriate column in the register of absentee ballot applications and ballots issued opposite the name of the applicant a notation of whether his application was "Approved" or "Disapproved".

The decision of the board on the validity of an application for absentee ballots shall be final subject only to such review as may be necessary in the event of an election contest.

(3) Delivery of Absentee Ballots and Container-Return Envelope to Applicant. — When the county board of elections approves an application for absentee ballots, the chairman shall promptly issue and transmit them to the voter only, and not to his near relative, in accordance with the following instructions:

a. On the top margin of each ballot the applicant is entitled to vote, the chairman shall write or type the words "Absentee Ballot No. . . . ." and insert in the blank space the number assigned the applicant's application in the register of applications for absentee ballots and ballots issued. He shall not write, type, or print any other matter upon the ballots transmitted to the absentee voter.

b. The chairman shall fold and place the ballots (identified in accordance with the preceding instruction) in a container-return envelope and write or type in the appropriate blanks thereon, in accordance with the terms of G.S. 163-229(b), the absentee voter's name, his application number and the designation of the precinct in which the voter is registered. The chairman shall leave the container-return envelope holding the ballots unsealed.

c. The chairman shall then place the unsealed container-return envelope holding the ballots together with printed instructions for voting and returning the ballots, in an envelope addressed to the

applicant at the post office address stated in his application, seal the envelope, and mail it at the expense of the county board of elections, or deliver it to the applicant in person: Provided, that in case of approval of an application received after 5:00 P.M. on the Wednesday before the election under the provisions of G.S. 163-227(b)(3), in lieu of transmitting the ballots to the applicant in person or by mail, the chairman may deliver the sealed envelope containing the instruction sheet and the container-return envelope holding the ballots to a near relative of the voter. (1939, c. 159, s. 3; 1963, c. 457, s. 3; 1965, c. 1208; 1967, c. 775, s. 1; c. 952, s. 6; 1973, c. 536, s. 1; c. 1075, s. 4; 1975, c. 844, ss. 14, 19; 1977, c. 469, s. 1.)

Editor's Note. — The 1977 amendment, effective with respect to elections held on or after Sept. 1, 1977, reenacted this section without change except for an incorrect substitution of a reference to § 163-277 for a reference to § 163-227 at the end of the second sentence.

As the rest of the section was not changed by the amendment, only subsections (h) and (i) are set out.

§ 163-288.1. Activating voters for newly annexed or incorporated areas. — (a) Whenever any new city or special district is incorporated or whenever an existing city or district annexes any territory, the city or special district shall cause a map of the corporate or district limits to be prepared from the boundary descriptions in the act, charter or other document creating the city or district or authorizing or implementing the annexation. The map shall be delivered to the county or municipal board of elections conducting the elections for the city or special district. The board of elections shall then activate for city or district elections each voter eligible to vote in the city or district who is registered to vote in the county to the extent that residence addresses shown on the county registration certificates can be identified as within the limits of the city or special district. Each voter whose registration is thus activated for city or special district elections shall be so notified by mail. The cost of preparing the map of the newly incorporated city or special district or of the newly annexed area, and of activating voters eligible to vote therein, shall be paid by the city or special district. In lieu of the procedures set forth in this section, the county board of elections may use either of the methods of registration of voters set out in G.S. 163-288.2 when activating voters pursuant to the incorporation of a new city or election of city officials or both under authority of an act of the General Assembly or when activating voters after an annexation of new territory by a city or special district under Chapter 160A, Article 4A, or other general or local law.

(b) Each voter whose registration is changed by the county or municipal board of elections in any manner pursuant to any annexation or expunction under this subsection shall be so notified by mail.

(c) The State Board of Elections shall have authority to adopt regulations for the more detailed administration of this section. (1971, c. 835, s. 1; 1973, c. 793, s. 88; 1977, c. 752, s. 1.)

Editor's Note. — The 1977 amendment added the language beginning "or when activating voters after an annexation of new territory" to the end of subsection (a).

§ 163-288.2. Registration in area proposed for incorporation or annexed. — (a) Whenever the General Assembly incorporates a new city and provides in

the act of incorporation for a referendum on the question of incorporation or for a special election for town officials or for both, or whenever an existing city or special district annexes new territory under the provisions of Chapter 160A, Article 4A, or other general or local law, the board of elections of the county in which the proposed city is located or in which the newly annexed territory is located shall determine those individuals eligible to vote in the referendum or special election or in the city or special district elections. In determining the eligible voters the board may, in its discretion, use either of the following methods:

METHOD A. — The board of elections shall prepare a list of those registered voters residing within the proposed city or newly annexed territory. The board shall make this list available for public inspection in its office for a two-week period ending 21 days (excluding Saturdays and Sundays) before the day of the referendum or special election, or the next scheduled city or special district election. During this period, any voter resident within the proposed city or newly annexed territory and not included on the list may cause his name to be added to the list. At least one week and no more than two weeks before the day the period of public inspection is to begin, the board shall cause notice of the list's availability to be posted in at least two prominent places within the proposed city or newly annexed territory and may cause the notice to be published in a newspaper of general circulation within the county. The notice shall state that the list has been prepared, that only those persons listed may vote in the referendum or special election, that the list will be available for public inspection in the board's office, that any qualified voter not included on the list may cause his name to be added to the list during the two-week period of public inspection, and that persons in newly annexed territory should present themselves so their registration records may be activated for voting in city or special district elections in the newly annexed territory.

METHOD B. — The board of elections shall conduct a special registration of eligible persons desiring to vote in the referendum or special election or in the newly annexed territory. The registration records shall be open for a two-week period (except Sundays) ending 21 days (excluding Saturdays and Sundays) before the day of the referendum or special election or the next scheduled city or special district election. On the two Saturdays during that two-week period, the records shall be located at the voting place for the referendum or special election or the next scheduled city or special district election; on the other days it may, in the discretion of the board, be kept at the voting place, at the office of the board, or at the place of business of a person designated by the board to conduct the special registration. At least one week and no more than two weeks before the day the period of special registration is to begin, the board shall cause notice of the registration to be posted in at least two prominent places within the proposed city or newly annexed territory and may cause the notice to be published in a newspaper of general circulation within the county. The notice shall state the purpose and times of the special registration, the location of the registration records, that only those persons registered in the special registration may vote in the referendum or special election, and that persons in newly annexed territory should present themselves so their registration records may be activated for voting in city or special district elections in the newly annexed territory.

(b) Only those persons registered pursuant to this section may vote in the referendum or special election, provided, however, that in cases where voters are activated under either Method A or B to vote in a city or special district that annexes territory, the city or special district shall permit them to vote in the city or special district's election and shall, as well, permit other voters to vote in such elections who did not register under the provisions of this section if they are otherwise registered, qualified and eligible to vote in the same. (1973, c. 551; 1977, c. 752, s. 2.)

Editor's Note. — The 1977 amendment, in the introductory paragraph of subsection (a), inserted the language beginning "or whenever an existing city or special district" and ending "or other general or local law" and "or in which the newly annexed territory is located" in the first sentence and added "or in the city or special district elections" to the end of the first sentence. In the paragraph designated Method A in subsection (a), the amendment added "or newly annexed territory" to the end of the first sentence and "or the next scheduled city or special district election" to the end of the second sentence, inserted "or newly annexed territory" in the third and fourth sentences, deleted "and" preceding "that any qualified voter" in the fifth sentence, and added the language beginning "and that persons in newly annexed territory" to the end of the fifth sentence. In the paragraph designated Method B of subsection (a), the amendment added "or in the newly annexed territory" to the end of the first sentence and "or the next scheduled city or special district election" to the end of the second sentence, inserted "or the next scheduled city or special district election" in the third sentence and "or newly annexed territory" in the fourth sentence, deleted "and" preceding "that only those persons" in the fifth sentence, and added the language beginning "and that persons in newly annexed territory" to the end of the fifth sentence. In subsection (b), the amendment inserted "those" near the beginning of the subsection and added the language beginning "provided, however" to the end of the subsection.

ARTICLE 24.

Conduct of Municipal Elections.

§ 163-294.2. Notice of candidacy and filing fee in nonpartisan municipal elections.

(b) Only persons who are registered to vote in the municipality shall be permitted to file notice of candidacy for election to municipal office. The board of elections shall inspect the voter registration lists immediately after the expiration of the registration period and shall cancel the notice of candidacy of any candidate who is not eligible to vote in the election. The board shall give notice of cancellation to any candidate whose notice of candidacy has been cancelled under this subsection by mail or by having the notice served on him by the county sheriff.

(1977, c. 265, s. 18.)

Editor's Note. —

The 1977 amendment deleted the former second and third sentences of subsection (b), which related to the filing of notice of candidacy by persons not registered to vote in municipal elections.

As the rest of the section was not changed by the amendment, only subsection (b) is set out.

§ 163-302. Absentee voting. — (a) In any municipal election, including a primary or general election or referendum, conducted by the county board of elections, absentee voting may, upon resolution of the municipal governing body, be permitted. Such resolution must be adopted no later than 60 days prior to an election in order to be effective for that election. Any such resolution shall remain effective for all future elections unless repealed no later than 60 days before an election. A copy of all resolutions adopted under this section shall be filed with the State Board of Elections and the county board of elections conducting the election within 10 days of passage in order to be effective. Absentee voting shall not be permitted in any municipal election unless such election is conducted by the county board of elections.

(b) The provisions of Articles 20 and 21 of this Chapter shall apply to absentee voting in municipal elections, except the earliest date by which absentee ballots shall be required to be available for absentee voting in municipal elections shall be 30 days prior to the date of the municipal primary or election or as quickly following the filing deadline specified in G.S. 163-291(2) or G.S. 163-294.2(c) as the county board of elections is able to secure the official ballots. (1971, c. 835, s. 1; 1975, c. 370, s. 1; c. 836; 1977, c. 475, s. 1.)

Editor's Note. —

The 1977 amendment substituted "60 days" for "50 days" in the second and third sentences of subsection (a), added "in order to be effective" to the end of the fourth sentence of subsection (a), rewrote the fifth sentence of subsection (a), and rewrote subsection (b).

Session Laws 1977, c. 475, s. 2, provides: "Nothing herein shall render void any resolution on file with the State Board of Elections as of the effective date of this act."

(b) All incorporated municipalities are authorized to establish and maintain civil preparedness agencies subject to coordination by the county. Joint agencies composed of a county and one or more municipalities within its borders may be formed.

And I do further swear (or affirm) that I do not advocate, nor am I, nor have I ever knowingly been, a member of any political party or organization that advocates the overthrow of the Government of the United States or of this State by force or violence; and that during such time as I am a member of the State Civil Preparedness Agency I will not advocate nor become a member of any political party or organization that advocates the overthrow of the Government of the United States or of this State by force or violence, so help me God."

Nothing contained herein or in any other statute shall restrict or preclude any insurer governed by Chapter 57 or Chapter 58 of the General Statutes from setting and charging a premium or fee based upon the class or classes of risks and on sound actuarial and underwriting principles as determined by such insurer, or from applying its regular underwriting standards applicable to all classes of risks. The provisions of this section shall apply to both corporations governed by Chapter 57 and Chapter 58 of the General Statutes. (1977, c. 894, ss. 1, 2.)
